## Product Description

### Product Description:

Our Blending Essential Oils come with free sample options, each 2 ml in size. Please contact us for sample details and try it out for yourself. This fragrance oil is versatile and can be used for daily flavor or industrial flavor purposes. It is also great as a fragrance oil for perfume making, giving your creations that sweet, scented aroma.

When using our Blending Essential Oils, safety precautions must be taken. It is important to dilute before use and keep out of reach of children. This ensures that the fragrance oil is not used in an unsafe manner.

Our Blending Essential Oils are also known as Essence Fragrance or Essence Oil. These oils are essential in the creation of fragrances and can be used to add a unique touch to any scent.
