Product Description

Product Description:

Our scented perfume oil is made from high-quality ingredients that are safe for external use only. We advise our customers not to ingest the perfume oil, and to keep it out of reach of children. To ensure the longevity of your perfume oil, it is important to store it in a cool, dry place away from direct sunlight.

The perfume oil comes in either a plastic or iron barrel, depending on your preference. Each container has an expiration date of 1-3 years, with opened containers expiring after one year and unopened containers expiring after three years. We recommend storing the perfume oil in a cool, dry place in tightly sealed containers to maintain its quality and freshness.

Our scented perfume oil is perfect for those who want to enjoy the benefits of aromatherapy in a convenient and long-lasting way.

Whether you use it to create a relaxing atmosphere in your home or to add a touch of luxury to your personal fragrance collection, our perfume oil is sure to impress.
