Product Description

Product Description:

Strawberry Essential Oil LDZ-PL80039 is an essential oil with strawberry as the theme aroma, exuding a fresh, sweet, slightly sour and sweet fruity aroma, giving people a pleasant and energetic sensory experience. It is widely used in aromatherapy equipment, personal care products, home fragrances and food fragrances, and its fragrance is refreshing, natural and attractive.

Details:

Fragrance: Strawberry essential oil exudes a sweet, fresh fruity aroma, with a strong fruity aroma and a slightly sweet and sour feeling, as vibrant and pleasant as a freshly ripe strawberry.

Appearance: Usually a transparent or light yellow liquid, with a light texture, easy to evaporate, and a long-lasting aroma.

Uses: Suitable for daily necessities such as aromatherapy, scented candles, bath products, skin care products, handmade soaps, perfumes, car aromatherapy, etc., which can add a fresh and sweet scent to these products, and are also used for fragrance in the food industry.

Our aromatherapy essential oils are perfect for daily use, as it offers a variety of aromatherapy essential oils with a variety of scents that will definitely make you feel refreshed and refreshed. It is also perfect for industrial use as it provides a strong and long-lasting scent that can be used in a variety of applications. When it comes to skincare, our aromatherapy essential oil is the perfect addition to your skincare routine. It can be used in a variety of skincare products such as lotions, body washes and soaps to leave your skin smelling fresh and fragrant.

Our aromatherapy essential oil is made from the finest quality ingredients, making it a fragrant perfume essence that is perfect for creating your own unique scent. The concentrated liquid form makes it easy to use and allows for precise measuring, ensuring you get the exact scent you want.

Features:

Sweet and pleasant aroma: Strawberry essential oil has a natural fruity aroma, which can bring a relaxing and pleasant sensory enjoyment, and is particularly suitable for creating a lively and refreshing environment.

Wide application: It has a wide range of applications in personal care, home fragrance, food fragrance and other fields. Strawberry aroma is often used in cleaning products, bath products and home environments, bringing vitality and pleasure to life.

Emotional regulation: Strawberry aroma has a relaxing and pleasant quality, which can help relieve stress, relax the body and mind, and enhance overall mood. It is especially suitable for use when busy or tired, and has a positive psychological impact.

Inedible: Strawberry essential oil is mostly synthetic flavors, mainly used to provide fragrance. Although the flavors used in the food industry are certified by safety standards, the essential oils used in daily life are usually not suitable for direct consumption.

Easy to mix with other fragrances: Strawberry essential oil can be well mixed with other fruity, floral, citrus or woody essential oils to mix a multi-layered fragrance combination to make the fragrance richer.
