### Applications:

The Plant Fragrance brand presents the LDZ-PL90093 model of Fragrance Perfume Oil, a high-quality scented essential oil sourced from China, Guangdong. This product has obtained COA, MSDS, IFRA, CE, and ISO certifications, ensuring its safety and quality.

The Chrysanthemum Flavor Liquid Flavour Concentrate is an excellent choice for adding a sweet and refreshing scent to various products. Its aroma is reminiscent of scented chrysanthemum, making it suitable for use in perfumes, candles, soaps, lotions, and other personal care products.

The Fragrance Perfume Oil is versatile and can be used in different occasions and scenarios. For instance, it is perfect for creating a relaxing and pleasant ambiance at home or in the office. It can be used in oil diffusers and humidifiers to disperse its fragrant scent throughout the room.

The Chrysanthemum Fragrance Essence Oil is also a great addition to beauty and personal care products. It can be added to shampoos, conditioners, body washes, and other bath products to give them a sweet and refreshing scent. It can also be used as an ingredient in toothpaste, mouthwash, and other oral care products.

Furthermore, the Fragrance Perfume Oil is an excellent choice for creating homemade candles, soaps, and lotions. It is easy to use and mix with other ingredients to create customized scents and products.

### Support and Services:

Our Fragrance Oils are carefully crafted to provide the highest quality scents for use in a variety of applications. If you encounter any issues or have questions about our products, please contact our technical support team for assistance. We also offer a range of services to help you get the most out of your Fragrance Oils, including custom blending, scent matching, and more. Contact us to learn more about our services and how we can help you create the perfect fragrance for your needs.

## Packing and Shipping:

### Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

### Product Shipping:

We support international shipping or shipping services and have experience exporting to 88 countries, welcome inquiries. We will provide you with professional transportation services. A variety of transportation methods are available for you to choose from: land, sea and air. If you have your own shipping agent, also can arrange to deliver the goods to your designated freight forwarders.
