Product Description

Product Description:

Sweet Orange Fragrance Oil LDZ-PL50126 is specially formulated for laundry detergent. Its fruity scent adds a fresh, clean aroma to your clothes, leaving them smelling amazing all day long. It is an easy-to-use liquid aromatherapy concentrate that only requires a small amount to go a long way. You only need a few drops of this aromatic aromatherapy oil to give your laundry a lovely scent.

The natural and synthetic aromatherapy oils used in this product have been carefully selected to produce a wonderful and long-lasting scent. The aromatherapy oils are made with premium ingredients to ensure they are safe to use and do not contain any harmful chemicals. It is a great alternative to traditional laundry detergents, which often contain harsh chemicals and synthetic fragrances.

This liquid aromatherapy oil should be stored in a cool place to preserve its quality and fragrance. It is recommended to keep it away from direct sunlight and high temperatures to avoid compromising its fragrance and effectiveness. This product comes in a convenient bottle that is easy to store and use.

In conclusion, Sweet Orange Fragrance Oil is a high-quality, fruity fragrance that exudes the scent of pure sweet orange. It is a blend of natural and synthetic fragrance oils that is safe to use and long-lasting. Designed for laundry detergent, this liquid fragrance concentrate adds a fruity scent to your clothes. It should be stored in a cool, dark place to preserve its quality. If you're looking for a fragrant fragrance oil that's safe to use and smells great, this product is definitely worth a try.

Applications:

Fragrance essential oil(Model Number: LDZ-PL50126)is a fragrance concentrate with a light yellow or colorless appearance. It is very suitable for making fruit flavors for use in laundry detergents. This product type is very suitable for making fruit flavors, laundry detergent flavors, sweet orange flavors, and orange flavors.Sweet orange essential oil has a wide range of applications in daily life and industrial production, especially in cleaning products, personal care products, and the food and beverage industry. **Here are some of the main application areas:**

1. Applications in daily life

Household cleaners: Sweet orange essential oil has good antibacterial and decontamination capabilities and is often used in household cleaners such as all-purpose cleaners and glass cleaners. It can effectively remove dirt and grease while emitting a fresh orange scent.

Air Freshener: Orange essential oil is commonly used in air fresheners and aromatherapy products to eliminate odors and create a pleasant environment.

Personal Care Products: In shampoo, shower gel, and skin care products, orange essential oil can provide a fresh aroma and has certain moisturizing and antioxidant effects.

2. Application in Industrial Production

Laundry Detergents and Washing Powders:

Fragrance Addition: Orange essential oil is commonly used in laundry detergents and washing powders as a fragrance additive to make the washed clothes emit a fresh orange scent and increase the user experience.

Antibacterial Properties: Due to its antibacterial properties, orange essential oil can help inhibit the growth of bacteria during the laundry

process and improve the washing effect.

Decontamination Ability: Some studies have shown that orange essential oil can enhance the decontamination effect in certain cleaning formulas and help break down dirt and grease.

Overall, the LDZ-PL50126 model from Plant Fragrance is an excellent choice for those who want to add a fruity scent to their laundry detergent formula. Its high-quality ingredients, certifications, and fast delivery times make it a top choice for businesses and individuals.
