Product Description

Product Description:

Our Fragrant Perfume Essence is specially formulated to provide a long-lasting and refreshing scent. It is made from high-quality ingredients, ensuring that you get the best possible fragrance experience. The Perfumed Fragrance Oil is easy to use, and only requires a small amount to be added to your toothpaste. The recommended add ratio is between 0.1% to 0.5%, ensuring that you get the perfect balance of fragrance without overpowering the taste of your toothpaste.

Our Lemon Fragrance is perfect for those who love the refreshing and invigorating scent of lemon. The Fruity Flavors of the Perfume Fragrance Essence provide a burst of energy and freshness, making it the perfect addition to your morning routine. The Lemon Essential Oil is perfect for those who want to add a natural and refreshing scent to their toothpaste, without the use of synthetic fragrances.

Our Fragrance Oil product is of the highest quality, ensuring that you get the best possible scent experience. The liquid Fragrance Oil is easy to use and can be added to your toothpaste with ease. The light yellow or colorless shade of the Fragrant Perfume Essence ensures that it will not interfere with the color of your toothpaste.

**Applications:**

Lemon Essential Oil(Model Number:LDZ-PL90005) has a wide range of applications in daily life and industrial production, especially in the fields of cleaning, personal care, food additives and aromatherapy. It is widely used in many industries due to its fresh aroma, antibacterial properties and decontamination ability, especially in personal care products such as toothpaste. **The following are its main application areas:**

Application in daily life

Household cleaners: Lemon essential oil has a strong degreasing and bactericidal effect. It is often used in kitchen and bathroom cleaners. It can effectively clean the surface and leave a fresh smell.

Air fresheners and aromatherapy: Lemon essential oil has a fresh and refreshing aroma. It can effectively freshen the air, drive away odors and bacteria. It is often used in air fresheners and diffusers. Lemon essential oil is often used in aromatherapy to help relieve stress, boost spirits, and improve attention and concentration.

Personal care products: Shampoo and shower gel: Lemon essential oil is often used in shampoo and shower gel. It can effectively clean excess oil from the scalp and skin and has a refreshing effect.

Application in industrial production

Toothpaste: Lemon essential oil is often used as a flavor in toothpaste, which brings a fresh taste, helps remove bad breath, and keeps

the breath fresh.

Food additives: Lemon essential oil is often added to food and beverages as a natural flavor to add a refreshing and sweet lemon flavor. It is widely used in candies, beverages, desserts and other foods.

Detergents and laundry detergents: Lemon essential oil is widely used in detergents and laundry detergents. It can not only give clothes a fresh fragrance, but also enhance the cleaning effect and help remove stains and grease. Its acidic properties make lemon essential oil particularly effective in removing stains and grease, and it is the core ingredient of natural cleaning formulas.

Support and Services:

Our Fragrance Oils are carefully crafted to provide the best possible scent experience. If you have any questions or concerns about using our products, our Technical Support team is available to assist you. We offer troubleshooting for any issues you may encounter, as well as guidance on how to get the most out of our Fragrance Oils.
