Product Description

Product Description:

Our citrus essential oils are cold-pressed from high-quality citrus peels. They are 100% natural and additive-free, making them suitable for a variety of aromatherapy and skin care needs. Before use, dilute the citrus essential oil and apply it to your skin, or add it to an aromatherapy lamp to enjoy its pleasant aroma. It is recommended to use no more than 3-5 drops each time. Of course, you can also make skin care products according to your needs.

Features and Benefits

Fresh aroma: It exudes a pleasant, fresh scent that helps to lift your mood, relieve anxiety and stress, and create a relaxing environment.

Versatile application: Suitable for aromatherapy lamps, massage, bathing, skin care, helping to moisturize the skin and improve skin texture.

Natural antioxidant: Rich in vitamin C, it has antioxidant properties and helps protect the skin from environmental damage.

Cleaning and disinfection: It can be used in household cleaning products to provide a natural cleaning effect, remove odors, and keep your home fresh.

Our aromatic essential oils are suitable for a wide range of applications from personal use to industrial production. Use it to add a light scent to your lotions, soaps, and other skin care products, or add it to your diffuser or oil lamp to fill your home with soothing aroma. Choose from our fragrance oils for all your scent needs to leave you feeling refreshed and energized. Try them today!

Applications:

Citrus essential oil is a versatile, high-quality essential oil that can be used in a variety of scenarios.

1. Application in daily life

Aromatherapy: Citrus essential oil is popular for its refreshing aroma and is often used in aromatherapy lamps, diffusers and essential oil massages to improve mood and reduce stress.

Skin care products: Citrus essential oil is widely used in natural skin care products. It has antioxidant, cleansing and brightening effects

and is suitable for all skin types.

Home cleaning: As a natural cleaner, citrus essential oil can be added to household cleaning products to effectively remove odors and dirt while exuding a fresh aroma.

Cooking and beverages: Citrus essential oil can be used for flavoring and fragrance. It can be added to drinks and desserts in appropriate amounts to add a unique flavor to food.

2. Application in industrial production

Cosmetic industry: Citrus essential oil is often used to make skin care products, perfumes and shampoos. Its natural ingredients and aroma make the products more attractive to consumers.

Food and beverage industry: Used as flavoring and fragrance, citrus essential oil adds natural flavor to food and enhances the market competitiveness of products.

Cleaner production: In the formulation of cleaners, citrus essential oils are used as natural ingredients, which not only improve the cleaning effect of the product, but also add a pleasant smell to it.

Fragrance products: Used in the production of candles, fragrance sprays and soaps, the fresh aroma of citrus essential oils makes these products more popular.

Support and Services:

Our Fragrance Oil product comes with comprehensive technical support and services. Our team of experts is always available to help you with any questions or concerns you may have about the product. We offer assistance with product installation, troubleshooting, and maintenance to ensure that you get the most out of our Fragrance Oil product.

In addition, we also offer regular product updates and upgrades to ensure that you have access to the latest features and improvements. We strive to provide the best possible customer experience and are committed to your satisfaction.

For any technical support or service inquiries related to our Fragrance Oil product, please do not hesitate to reach out to our customer support team.

Packing and Shipping:

Product Packaging:

This essential oil comes in a steel or plastic bucket with a secure screw cap to prevent leakage and evaporation. The bottle is wrapped in bubble wrap and placed in a sturdy cardboard box for extra protection during shipping.

Shipping:

All orders are processed within 24 hours and shipped via USPS Priority Mail. Delivery time may vary depending on your location, but we strive to get your order to you as quickly as possible. Shipping costs will be calculated at checkout based on the weight and destination of the package.
