## Product Description

### Product Description:

Blue Rose essential oil is widely used in the production of flavors and fragrances for a wide range of products, including perfumes, candles, soaps, and air fresheners. Aromatherapy fragrance products are no exception, and its high-quality flavors and fragrances make it ideal for use in any of these applications.

One of the main benefits of this essential oil is its ability to help users relax and relieve stress. The flavors and fragrances used in this product are known for their calming effects on the mind and body, making it a great choice for those suffering from anxiety or stress-related disorders.

In addition to its relaxation benefits, Blue Rose essential oil products can also improve mood and create a happier, more welcoming environment. Its high-quality flavors and fragrances offer a range of scents that can be customized to personal preferences, allowing users to create a personalized atmosphere that suits their needs.

Overall, this essential oil product is a versatile and effective solution for those who are looking to improve mood, reduce stress, and create a more welcoming environment. Its high-quality flavors and fragrances and oil/water solubility make it a popular choice for a wide range of applications, and its effectiveness makes it a favorite among many users.

### Features:

#### Features of Blue Enchantress Rose Essential Oil for Making Laundry Detergent:

**Natural and Long-lasting Fragrance:**Blue Enchantress Rose Essential Oil exudes an elegant and charming rose fragrance, giving washed clothes a long-lasting natural fragrance and enhancing the dressing experience. Even after multiple washes, clothes can still exude a fresh fragrance.

**Gentle clothing protection, suitable for high-end clothing:**This essential oil has a mild ingredient and will not irritate clothing fibers. It is particularly suitable for washing high-end clothing such as silk and wool, helping to extend the service life of clothing and keep it soft and shiny.

**Natural antibacterial and deodorizing:**Blue Enchantress Rose Essential Oil has natural antibacterial and deodorizing effects, which can effectively remove bacteria and odors on clothing, providing double protection for cleanliness and health for clothing, especially suitable

for sensitive skin or baby clothing.

Environmentally friendly and healthy formula:The Blue Enchantress Rose Essential Oil added to the laundry detergent is natural, without chemical additives, environmentally friendly and healthy, suitable for daily family use, not only protecting clothing and skin, but also environmentally friendly.

Multiple care, enhance the softness of clothes:Blue Enchantress Rose Essential Oil can also help enhance the softness of clothes during the washing process, avoid static electricity, make clothes feel softer, and make them more comfortable to wear next to the body.

Suitable for a variety of types of clothes:Whether it is daily cotton and linen materials, or exquisite silk, wool and other high-end fabrics, Blue Enchantress Rose Essential Oil Laundry Detergent can gently clean and keep clothes bright and soft.

### Applications:

#### **The application of Blue Enchantress essential oil in daily life:**

**Additive ingredients for beauty and skin care products:**Blue Enchantress essential oil is widely used in skin care products, creams, essences and body oils because of its moisturizing, anti-oxidation and soothing effects on the skin. It helps to improve skin elasticity, reduce wrinkles, and make the skin glow with health.

**Application in aromatherapy:**As a star product in aromatherapy, Blue Enchantress essential oil can be diffused through aromatherapy machines, scented candles, etc., to help soothe emotions, reduce stress and anxiety, and create a quiet and relaxing environment. It is widely used in scenes such as homes and offices.

**Use in personal care products:**Blue Enchantress essential oil is often used to make daily personal care products such as perfumes, shampoos, and shower gels. Its elegant rose fragrance is long-lasting and charming, allowing users to experience a luxurious skin care experience.

**Home cleaning and air freshness:**Blue Enchantress essential oil is also added to environmentally friendly cleaning products and air fresheners. It has natural antibacterial and deodorizing functions, which can help purify indoor air, remove odors, and bring fresh fragrance to the home environment.

#### **Application of Blue Enchantress Essential Oil in Industrial Production:**

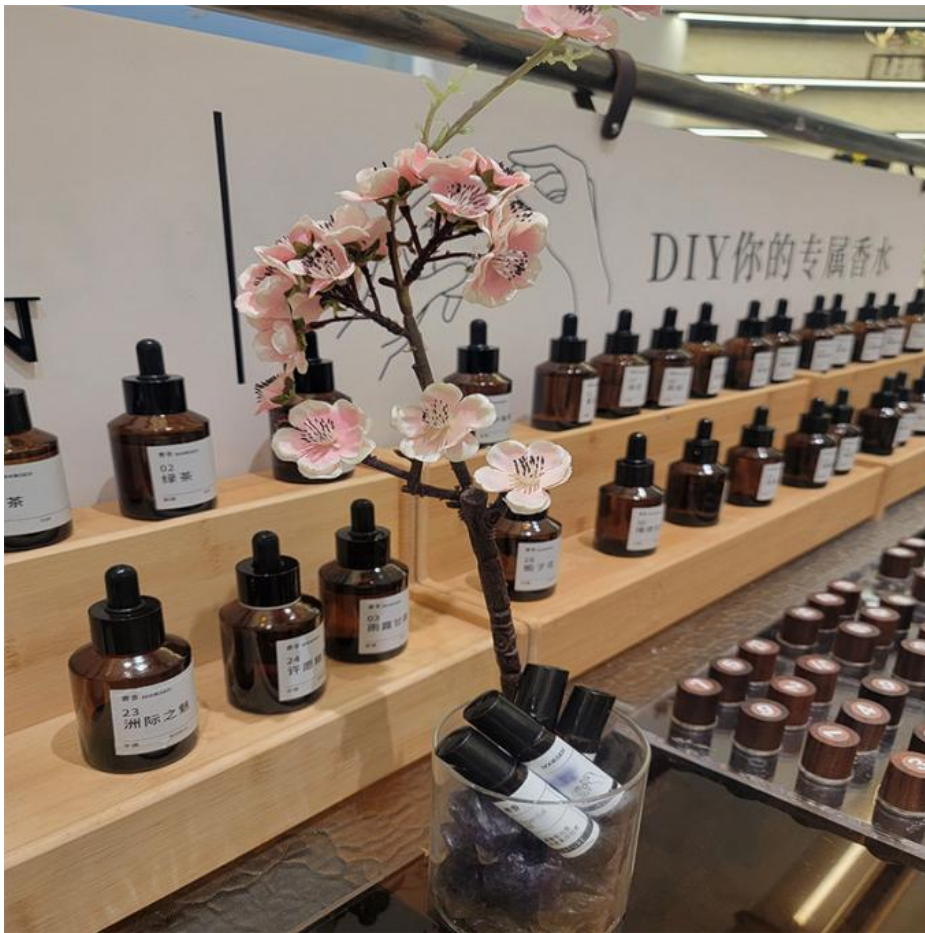

**High-end Raw Materials in Flavor and Fragrance Industry:**In perfume manufacturing and high-end flavor blending, Blue Enchantress Essential Oil is favored for its rare and unique aroma. It is often used in the production of luxury perfumes and aromatherapy products to enhance the uniqueness and grade of the products.

**Wide Application in Cosmetics and Skin Care Industry:**Blue Enchantress Essential Oil has important applications in the production of skin care, body care and hair care products. It can provide active ingredients of natural plant essential oils for high-end cosmetics and enhance the moisturizing, repairing and anti-aging effects of products.

**Additives in Environmentally Friendly Cleaning Products:**As an important ingredient in environmentally friendly cleaning products, Blue Enchantress Essential Oil has natural antibacterial properties and fresh aroma, which can improve the performance of cleaning products and is suitable for the manufacture of high-end household cleaners, detergents and deodorants.

**Application in Aromatherapy Products and Candle Manufacturing:**Blue Enchantress Essential Oil is often used in the production of aromatherapy candles, aromatherapy motor oils and fragrance products. It is widely used in homes, hotels, SPAs and commercial places to help create a comfortable atmosphere.
