## Product Description

### Product Description:

The Blending Essential Oils product is perfect for those who want to create their own signature scent. It can be used as an aromatherapy essence oil, aroma diffuser essential oil, or in any other way that you want to use it. The product is versatile and can be used in a variety of ways, depending on your needs.

The product is made using high-quality ingredients that ensure that you get the best possible fragrance. The synthetic perfume flavor and fragrance are carefully blended to create a scent that is unique and long-lasting. The product is perfect for those who want to create their own perfume, as it can be blended with other fragrances to create a scent that is completely unique.

The Blending Essential Oils product is perfect for those who love aromatherapy. The product can be used in an aroma diffuser essential oil to create a relaxing and soothing atmosphere. The scent of the product is perfect for those who want to unwind and relax after a long day. The product can also be used in massage oil to create a relaxing and rejuvenating experience.

In conclusion, the Blending Essential Oils product is a versatile and high-quality product that is perfect for those who want to create their own signature scent. The product is a synthetic perfume flavor and fragrance that has the aroma of scented perfume. It is also known as Love Water (Male) Essence, Fragrance Essence Oil, Love Water (Male) Flavors Fragrance, and Love Water (Male) Perfume. The product is a perfume flavor concentrate liquid that has a light yellow or colorless color. It can be used as an aromatherapy essence oil, aroma diffuser essential oil, or in any other way that you want to use it. The product is perfect for those who love aromatherapy and want to create a relaxing and soothing atmosphere.

### Selling Points:

Perfume Fixer / Perfume Fixing Agent

<p>The quality of our company's products is consistent with that of the top 4 international flavor companies. Our company is very competitive among Chinese flavor companies. In addition to ordinary flavors and fragrances, our imitation fragrance technology is also greatly affirmed, and the number of imitation fragrances is also the most complete. Our products have been sold to more than 80 countries.</p> <p>* We can imitate everything you want, our advantages are very clear. Please believe us.</p> <p>* We shape 100% concentrate cosmetic fragrance oil with the highest levels of creativity, performance and naturality to bring the most memorable moments to caring, cleaning and perfuming, sustainably.</p> <p>"Fragrances bring another layer to Life, they enhance every day's experience"</p>
Excellent fragrance retention effects, reduce the volatilization speed of fragrance, and prolong the time of fragrance retention by 2-2.5 times
Increases the strength of fragrance, making the fragrance long-lasting and retain for a long time
Small usage, 20-30% of the fragrance, saving the costs
Almost colorless and odorless, will not affect the original color and smell of the fragrance
High solubility with oil-soluble and water-soluble, suitable for all kinds of fragrances and perfumes

**Applications:**

The product is available in two forms: daily flavor/industrial flavors for perfume making and perfume flavor concentrate liquid. The shelf life is 1-3 years, with an opened bottle lasting for one year and an unopened bottle lasting for three years when stored in a cool, dry place in tightly sealed containers. The scent of the perfume is synthetic, but still has the aroma of scented perfume.

The packaging is available in two options: carton drum packing and iron drum packing. Carton drum packing includes 5 kgs/drum, 4 drum/carton, and 20kgs/carton (41\*28\*33.5cm) while iron drum packing includes 25 kg/drum (D: 30cm, H: 45cm) (0.032cbm). The delivery time for a trial order is 5-8 working days while OEM orders take 8-15 working days. Payment options include T/T, Western Union, Ali Pay, and Paypal.

The blending essential oils from Plant Fragrance are perfect for various application occasions and scenarios. For instance, they can be used in aromatherapy to create a calming and soothing atmosphere. They can also be used to create a relaxing ambiance in spas, yoga studios, and meditation centers. Additionally, these oils can be used to create a pleasant scent in homes, offices, and other living spaces. The essence fragrance can also be used in creating perfumes and scents for industrial and daily use. These oils are perfect for creating unique and personalized scents for perfumes, colognes, and other beauty products.

In conclusion, Plant Fragrance's LDZ-PL10701 essential oil product is an excellent choice for anyone looking to add a pleasant scent to their daily life or create unique fragrances for industrial use. With its diverse range of applications and certifications, this product is perfect for anyone looking to experiment with aromatherapy essence oil or essence fragrance.

### Support and Services:

Our Blending Essential Oils product is backed with technical support and services to ensure that our customers have the best possible experience with our product. Our team of experts can provide assistance on various topics such as product usage, storage, and safety. We also offer ongoing product training and education to help our customers improve their knowledge and skills in blending essential oils. Additionally, we provide maintenance and repair services to address any issues that may arise with our product. Our goal is to provide comprehensive support to our customers to ensure they receive the full benefits of our Blending Essential Oils product.
