Product Description

Product Description:

Vanilla Fragrance Oil is a popular natural essential oil that is appreciated for its unique aroma and multiple applications. Vanilla Fragrance Oil is extracted from premium vanilla plants and is extracted by methods such as steam distillation or cold pressing to ensure its purity and quality. Its fresh aroma makes it ideal for home and industrial applications, and is suitable for a variety of fields such as aromatherapy, skin care, and food flavoring.

Each bottle of sample contains 2 ml of light yellow or colorless liquid oil, which is a concentrate that can be used in a variety of applications. It is ideal for daily fragrance use, industrial fragrance use, vanilla fragrance, and fragrance oil for baking, cooking, beverages, and snacks. The possibilities are endless!

For those who are interested in trying our products, we offer free samples, which contain 2 ml of aromatherapy essential oil per bottle. Please contact us for sample details and we will be happy to send it to you!

Features:

Pure natural ingredients: Vanilla essential oil is extracted from 100% natural plants, without additives and synthetics, suitable for all skin types and highly safe.

Unique aroma: It has a strong vanilla aroma, which can effectively improve indoor air quality and create a warm and relaxing environment.

Versatility: It can be used for aromatherapy, massage, bathing, skin care and food seasoning to meet different consumer needs.

Soothing and relaxing: Vanilla essential oil has soothing and relaxing properties, which helps relieve stress, anxiety and improve mental health.

Antioxidant properties: It is rich in natural antioxidant ingredients, which helps delay aging, improve skin health, and is suitable for the formulation of skin care products.

Strong persistence: Vanilla essential oil can still maintain its aroma under high temperature and long-term storage, and is suitable for various production processes.
