Product Description

Product Description:

Taro essential oil is 100% natural taro extract essence, no additives, no synthetic flavors. Mainly cold pressed or steam distilled technology is used to ensure the pure aroma and retain the natural ingredients of taro. Our taro spices/taro essences/taro essential oils have a light yellow or colorless hue and are versatile and can be used in a variety of foods. With just 0.1%~0.3% added, you can achieve the perfect balance of flavor and fragrance without making your food taste too strong or wasting product.

Our taro flavors and fragrances are designed to provide your food with a long-lasting aroma and rich taste, ensuring that they are both delicious and memorable. And because our spices and flavors are effective and have minimal additives, you can rest assured that you are using a high-quality product that will not compromise the integrity of your food.

So what are you waiting for? Invest in our taro spices/taro essences/taro essential oils today and experience the difference that high-quality food flavors and fragrances can make for your baked goods, ice cream, cakes, cookies, candies, and more!

Features:

Pure natural ingredients: Taro essential oil is extracted from 100% natural taro, ensuring no synthetic additives, providing users with a safe and high-quality experience.

Unique aroma: Taro essential oil exudes a gentle, sweet scent that can effectively relieve stress, improve mood, and create a peaceful and comfortable environment.

Multiple uses: Aromatherapy: Can be used in aromatherapy lamps or diffusers to bring long-lasting fragrance, suitable for home and office environments. Skin care benefits: Suitable for dry and sensitive skin, it can moisturize and repair the skin, making it smooth and soft. Air freshener: As a natural air freshener, it helps remove odors and improve the quality of home air.

Easy to use: Suitable for a variety of uses, including direct drops into diffusers, mixed with base oils for massage, or as an ingredient in skin care products, flexible and diverse.

Applications:

Plant Fragrance LDZ-PL100028 is a high-quality food flavor that is perfect for adding a cookie-flavored scent to your baked goods. This flavor is produced in Guangdong, China and is COA, MSDS, IFRA, CE and ISO certified to ensure that it meets all necessary quality and safety standards.

Daily Use:

Aromatherapy: Taro essential oil is often used in aromatherapy, releasing fragrance through aromatherapy lamps or diffusers to help relieve stress, improve sleep quality, and add a warm atmosphere to the home environment.

Skin Care Products: Due to its moisturizing and repairing properties, taro essential oil is widely added to skin care products such as creams, serums and body lotions, suitable for dry and sensitive skin.

Home Freshener: Taro essential oil can be used as a natural air freshener and added to a spray bottle to help remove indoor odors and create a fresh and pleasant living environment.

Handmade: Suitable for DIY handmade soaps, candles, etc., adding natural fragrance to attract consumers who love handicrafts.

Application in industrial production:

Cosmetics industry: In the production of cosmetics, taro essential oil is often used as a fragrance ingredient to provide a unique scent and skin care effect, enhancing the product's appeal.

Cleaning products: Due to its natural fresh smell, taro essential oil can be used to produce various cleaning products, such as hand sanitizers, air fresheners and detergents, increasing the market competitiveness of products.

Food industry: Taro essential oil can be used as a food additive to give food a unique flavor. It is suitable for baking and beverages, but it must ensure compliance with relevant safety standards.

Fragrance and perfume manufacturing: In the manufacture of perfumes and spices, taro essential oil, as a unique raw material, can create novel aroma combinations to meet the market demand for personalized perfumes.
