## Product Description

### Product Description:

The One and Only (Duhill) Perfume Oil is a product that smells like a high-end fragrance product. It is loved by consumers for its unique aroma and elegant design. Unique fragrance: The One and Only (Duhill) Perfume Oil is mainly woody oriental, with a rich and elegant fragrance, suitable for consumers who want to show a mature and stable personality. It combines various precious spices, such as vetiver, sandalwood, amber, etc., to bring lasting warmth and richness.

#### Fragrance level:

**Top note:** usually with a fresh feeling, such as citrus, bergamot or a light spice, giving a vibrant first experience.

**Middle note:** floral and spicy coexist, such as lavender, rosemary, pepper, etc., adding mysterious and profound characteristics.

**Base note:** mainly woody and amber, accompanied by the warm aftertaste of vanilla or musk, bringing a lasting and rich level of fragrance.

The One and Only (Duhill) Perfume Oil is suitable for making some perfumes suitable for business occasions, formal banquets and important occasions. Its long-lasting aroma lasts for a long time, and its rich aroma layering makes it very suitable for use in winter or at night, giving people a stable and mature impression.

### Applications:

The One and Only (Duhill) Perfume Oil is not only popular in the field of personal care, but also used in daily life and industrial production because of its unique fragrance, enriching people's daily experience and increasing product added value.

#### 1. Application in daily life

Home fragrance: The One and Only (Duhill) Perfume Oil is very suitable for home fragrance because of its elegant and lasting fragrance. Adding a small amount of fragrance at home, such as through fragrance spray or scented candles, can not only improve indoor air quality, but also create a luxurious and warm living atmosphere.

Clothing fragrance: Many people like to leave a light fragrance on their clothes. The One and Only (Duhill) Perfume Oil can be used for clothing fragrance care, such as adding a few drops to clothing softener or spray, so that the clothes will have a lasting charming fragrance and enhance the daily dressing experience.

Personal care products: The One and Only (Duhill) Perfume Oil is also widely used in high-end men's care products, such as shower gel, aftershave, lotion, etc., giving these products a unique woody oriental fragrance, adding a sense of luxury to daily care.

#### 2. Application in industrial production

High-end fragrance manufacturing: The One and Only (Duhill) Perfume Oil is one of the main ingredients in many high-end fragrance manufacturing, and is favored by brands and consumers for its unique fragrance. Many luxury perfume brands will introduce The One and Only (Duhill) Perfume Oil into their products to give the fragrance a layered fragrance structure to meet the needs of the high-end market.

Car interior fragrance: The One and Only (Duhill) Perfume Oil is widely used in car interior fragrance, making the car interior environment more textured, especially in the luxury car interior market.

High-end furniture care: Because of its steady, long-lasting fragrance and unique wood tone, it is often used in furniture care products, such as wood furniture maintenance oil, furniture cleaner, etc. Using care products containing The One and Only (Duhill) Perfume Oil can not only make the furniture shine, but also give the furniture a unique fragrance and enhance the home atmosphere.

### Customization:
