Product Description

Product Description:

Our perfume fragrances are also known as oud agarwood fragrance or oud agarwood flavor. These scents are inspired by the rich history and culture of the Middle East, where oud agarwood has been used to create luxurious fragrances for centuries.

Oud and Agarwood Essence is a unique fragrance that combines nature and luxury, showing the perfect interweaving of deep woody notes and warm balsam. It draws inspiration from rare oud and agarwood, creating a mysterious and charming atmosphere with rich fragrance, suitable for you who pursue taste and personality.

Our perfume fragrances come in tightly sealed containers to ensure a shelf life of 1-3 years. Once opened, our fragrances can last up to one year. We recommend storing our fragrances in a cool, dry place away from moisture and strong light/heat.

Features:

Core Fragrance

Top Note: A hint of fresh citrus and spicy notes, awakening the senses like morning dew.

Middle Note: The smoky feeling of agarwood and the floral scent interweave to bring a rich olfactory experience.

Base Note: The deep aftertaste of oud, amber and musk is long-lasting and endless.

Source of Inspiration

Inspired by the purity of nature and the ancient oriental spice culture, oud agarwood fragrance perfectly combines calm power with modern elegance.

Applicable Scenarios

Daily Use: Add unique charm to individuals.

Special Occasions: Show restrained and noble taste.

High-quality Raw Materials: Use high-quality agarwood and oud essence, without the pungent feeling of synthetic spices, to bring a real natural fragrance.

Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of Oud Agarwood	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed

Solubility	The 1ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

Applications:

Oud agarwood fragrance can be widely used in many fields due to its unique woody fragrance and luxurious atmosphere, adding charm and taste to personal, home and commercial scenes. The following are its main application scenarios:

1. Personal care and daily use

Perfume

As the core ingredient of high-end perfume, ebony agarwood fragrance brings elegance and mysterious personal temperament to the wearer, suitable for daily use or important occasions.

Body care

It can be used in high-end body lotions, shower gels and hand creams to provide a soothing wood fragrance, enhance relaxation and skin care experience.

2. Home fragrance

Aromatherapy candles

Incorporating ebony agarwood fragrance into candles, injecting tranquility and elegance into the home environment and creating a relaxing atmosphere.

Indoor spray

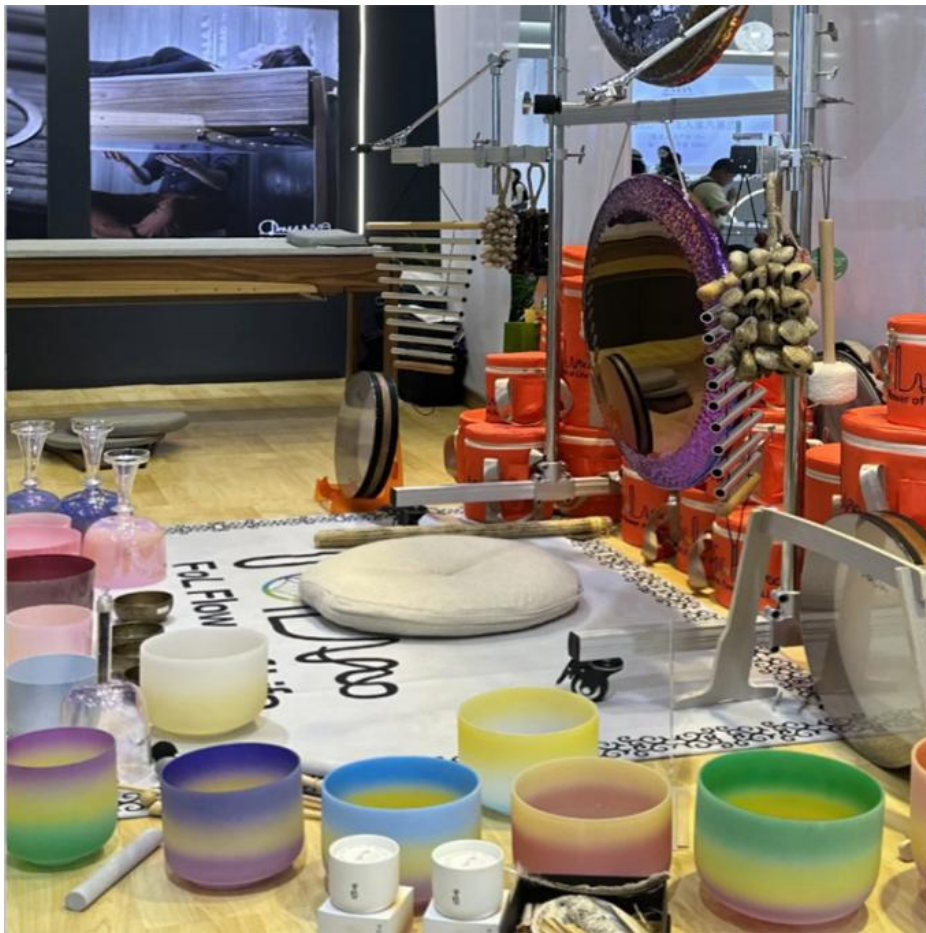

It can be used as the main ingredient of space fragrance spray, suitable for living rooms, bedrooms and study rooms, to enhance the style of the home environment.

Diffuser or essential oil

The fragrance diffuser allows the scent of agarwood to permeate the room, suitable for meditation, yoga or daily retreat.

3. High-end business field

In high-end hotel lobbies, SPA centers and private clubs, oud fragrance is often used as environmental fragrance, reflecting the brand's luxury and taste.
