### Features:

#### 1. Long-lasting fragrance, keep fresh

Although the floral fragrance is mainly fresh floral fragrance, it has good fragrance retention. Even after shampooing, the hair can keep the fresh fragrance for a long time, which enhances the use value of shampoo and allows consumers to enjoy the lasting and fresh hair fragrance.

#### 2. Suitable for daily use, mild and non-pungent

This floral shampoo has a fresh and non-strong fragrance, which is very suitable for daily use. Its soft fragrance can make the hair emit a natural fragrance, which is neither too strong nor oppressive, giving consumers a comfortable use experience.

#### 3. Enhance product attractiveness and increase market competitiveness

The unique floral fragrance of the fresh floral shampoo can make shampoo products stand out in the market and enhance the brand's attractiveness. Its mild and fresh fragrance meets the preference of modern consumers for natural and healthy washing and care

#### 4. Strong adaptability and wide range of applications

The fragrance of the fresh floral shampoo is not only suitable for shampoo, but also can be widely used in personal care products such as conditioners, hair masks, and shower gels. Its fragrance is highly compatible with a variety of cleaning product ingredients and can provide a unified fragrance experience for different types of care products, increasing the market acceptance of the products.
