## Product Description

### Product Description:

Bluebell fragrance is a fragrance full of natural breath and elegant charm, just like walking in a garden in the morning light of spring, the air is filled with the fragrance of flowers and plants moisturized by dew. It is fresh but not ostentatious, elegant but not too strong, suitable for you who pursue a delicate fragrance experience. Bluebell fragrance is a perfect combination of elegance and freshness. It is not only a fragrance, but also a life attitude - a poetic expression of returning to nature and loving life.

### Features:

**Top note:**

The scent of fresh and juicy pears and green leaves, like the first bloom of morning dew, sweet and light.

**Middle note:**

The elegant floral scent of blue bells blooms, moist and natural, as if wandering in a garden with a breeze.

**Base note:**

The silky white musk and warm woody notes end harmoniously, adding depth and persistence to the fragrance.

**Features:**

Fresh and natural, suitable for spring and summer or daily use.

Soft and elegant, whether it is daily commuting or partying and dating, it can add confidence and charm to you.

Long-lasting fragrance, accompany you all day long.

### Applications:

Bluebell fragrance is widely used in perfume, personal care, home and other daily chemical products with its fresh and elegant floral and fruity fragrance, giving the products a natural and delicate fragrance, which is deeply loved by consumers. The following are its main application scenarios and uses:

#### 1. Body care products

Shower gel

Incorporating the fresh floral fragrance of bluebell into bath products to add a relaxing and pleasant experience to the bathing process.

Body lotion and hand cream

Moisturizing products rich in bluebell fragrance bring soft skin while exuding lasting fragrance.

Fragrance essential oil

Used for massage or aromatherapy to help relax the body and mind and create a soothing atmosphere.

#### 2. Home fragrance

Aromatherapy candle

Releases a fresh and elegant fragrance after lighting, suitable for home or office places.

Aromatherapy diffuser

Bluebell fragrance can be used in diffuser equipment or rattan diffuser bottles to continuously emit a pleasant scent.

Air freshener

Air freshener products with it as the core fragrance can quickly purify the air and bring a comfortable atmosphere.
