## Product Description

### Product Description:

Immerse yourself in the soothing fragrance of blue lotus with our Ultra-Concentrated Blue Lotus Essence. This exquisite, high-potency blend captures the delicate floral notes of the blue lotus flower, known for its calming and rejuvenating properties. Ideal for use in perfumes, candles, or aromatherapy, it brings a sense of tranquility and spiritual balance to any space.

Discover the pure elegance of blue lotus with our Premium Concentrated Blue Lotus Elixir. Extracted from the finest blooms, this potent fragrance essence offers a rare, rich aroma that helps promote relaxation and mental clarity. A perfect addition to your personal fragrance collection or to create a serene atmosphere in your home.

Our Pure Essence of Blue Lotus (High Concentration) is a captivating blend that captures the essence of tranquility. With its delicate floral notes, it is renowned for its soothing qualities, making it ideal for meditation, relaxation, or enhancing the ambiance of any room. Use sparingly for a long-lasting, serene experience.

### Features:

#### **Pure and Natural Floral Scent**

Blue Lotus Essence is extracted from the petals of the blue lotus flower, offering a unique, fresh, and gentle floral aroma with a hint of watery freshness. It is known for its calming and soothing effects, helping to bring relaxation and tranquility to the mind and body.

#### **High-Concentration Formula**

The essence is made with a high-concentration extraction method, ensuring a long-lasting fragrance and more noticeable effects. A small amount can provide an extended aromatic experience, making it perfect for use in perfumes, diffusers, and home products.

#### **Calming and Stress-Relieving**

The blue lotus has long been regarded as a plant with meditation and relaxation benefits. Its scent is believed to help relieve stress, calm the emotions, and even enhance the depth and focus of meditation.

#### Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion

Solubility	The ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

## Applications:

### Home Fragrance

Blue Lotus Essence is ideal for home fragrance products such as diffusers, candles, and room sprays. Its gentle aroma can quickly improve indoor air quality, creating a peaceful and comfortable atmosphere, helping to relieve stress and bringing relaxation.

### Aromatherapy

As a key element in aromatherapy, Blue Lotus Essence is great for use during meditation, yoga, or relaxation sessions. Its fragrance helps to alleviate anxiety, promote deep relaxation, and enhance focus, making it the perfect companion for meditation or mental well-being.

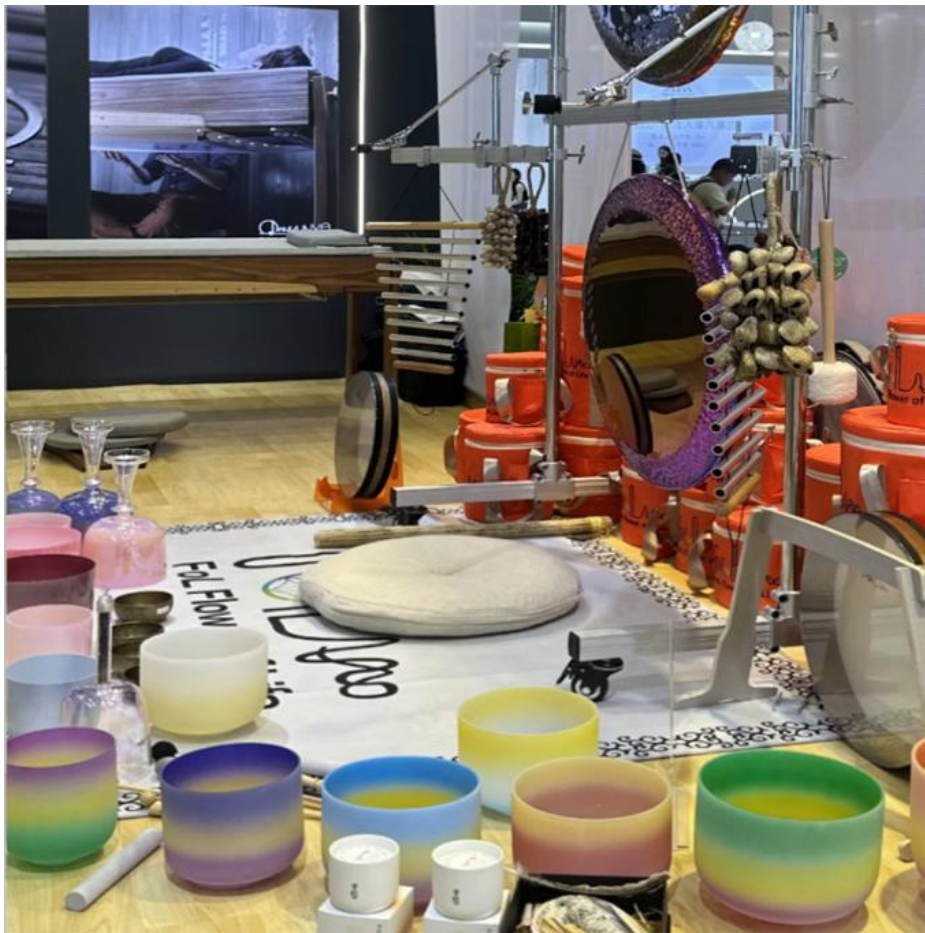

### Bath Care

Blue Lotus Essence can be added to bath products like shower gels, bath salts, and bubble baths, providing a refreshing fragrance and soothing effects. During a bath, its aroma helps relax the body and relieve the fatigue of the day.

### Personal Care Products

It can be added to personal care products such as face creams, lotions, and shampoos, not only enhancing the product with a natural fragrance but also helping to keep the skin comfortable and fresh. The gentle properties of Blue Lotus Essence make it suitable for sensitive skin.
