Product Description

Product Description:

Lux floral fragrance brings a flower-like aromatic experience, perfectly combining the softness and luxurious aroma of natural flowers. Each drop of fragrance contains rich floral notes, awakening the senses and exuding a charming fresh breath. This fragrance is made of carefully selected flowers and combines a variety of classic floral scents such as roses, jasmine, and violets to bring you a pleasant feeling like a spring breeze. Its fragrance is clearly layered. The fresh floral scent comes to your face at first, and then gradually releases a soft and lasting fragrance, bringing an immersive fragrance enjoyment.

Features:

Multi-layered floral fusion

Lux floral fragrance selects a variety of classic floral fragrances, such as rose, jasmine, violet, etc., to form a unique floral combination. The fragrance is rich in layers, fresh and fragrant at first, and gradually exudes a gentle and lasting floral fragrance, bringing deep sensory enjoyment.

High-concentration formula

Adopting a high-concentration essence formula, the fragrance is long-lasting and strong. A small amount of use can fully emit a rich floral fragrance, suitable for long-term use, ensuring that the fragrance effect lasts.

Natural plant ingredients

Lux floral fragrance focuses on the extraction of natural ingredients, selects high-quality floral fragrances, and is gentle and non-irritating. Suitable for sensitive skin, allowing you to enjoy a safe and comfortable aromatic experience.

Relaxation and pleasure effect

The floral notes of Lux floral fragrance help relieve stress, relax the body and mind, and enhance mood. It is an ideal emotional healing tool that can help you find a moment of tranquility and peace in your busy life.

Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion

Solubility	The ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

Applications:

Perfume Making

Lux floral fragrance can be used as the core fragrance of perfume to bring a romantic and elegant floral atmosphere. It is suitable for DIY perfume, custom fragrance or mixed with other fragrances to create a unique personalized perfume.

Home Fragrance

This fragrance is very suitable for use in home fragrance products such as aromatherapy machines, candles, and fragrance sprays. Its delicate floral fragrance can create a warm and romantic family atmosphere, help freshen the air, relieve stress, and improve the comfort of the living environment.

Bathroom Care

Lux floral fragrance can be added to personal care products such as shower gel, shampoo, bath salts, bubble bath, etc., to bring a whole-body fragrance care experience. It not only makes the fragrance during bathing more lasting, but also helps relax the body and mind and bring a pleasant bathing time.

Aromatherapy

In aromatherapy, Lux floral fragrance can be used as a tool for emotional regulation to help relieve stress, relieve anxiety, and relax the mood. It can be used through an aromatherapy machine, diffuser or massage oil to help improve mood and promote physical and mental balance and tranquility.

Fresh air

In offices, living rooms, bedrooms and other spaces, Lux floral fragrance can effectively purify the air and eliminate odors. Its floral fragrance is fresh and not pungent, bringing a pleasant sensory experience to daily life.

Using the chromatographic analyzer
to truly 1:1 copy
of the original essence,
completely solve the problem
of improper fragrance

Use a higher concentration than
the original, longer, say goodbye to the trouble
of short More professional raw material ratio,
to eliminate pigment stratification,
essence separation.
