Product Description

Product Description:

The Shampoo Fragrances product is used in the formulation of shampoos and other hair care products. The product is used to give the shampoo a pleasant scent and to improve the overall fragrance of the product. It is also used in the manufacturing of hotel collection fragrance oil, which is a popular product used in hotels and resorts around the world.

The Shampoo Fragrances product is a flavor fragrance that is used in the industry. The product is used in the production of fragrance brightening body lotion. It is used to give the lotion a pleasant scent and to improve the overall fragrance of the product.

The Shampoo Fragrances product is easy to use and can be added to shampoo and other hair care products in a ratio of 0.1%-0.5%. This ensures that the product is well distributed throughout the shampoo and that it provides a long-lasting fragrance. The product is also available for OEM service, which means that it can be customized to meet the requirements of different customers. Samples are also provided freely to customers who want to try out the product before placing an order.

In summary, the Shampoo Fragrances product is a high-quality fragrance essence that is used in shampoo making, industrial flavoring, and daily flavoring. It is known by another name, which is Watermelon Essence Fragrance. The product is used in the formulation of shampoos and other hair care products, as well as in the production of hotel collection fragrance oil and fragrance brightening body lotion. The product is easy to use and can be added to shampoo and other hair care products in a ratio of 0.1%-0.5%. The product is also available for OEM service, and samples are provided freely to customers who want to try out the product.

Features:

Natural fruity aroma

Watermelon essence provides a unique fresh fruity aroma, which not only makes the shampoo full of pleasant smell during use, but also leaves a light fragrance to keep the hair fresh for a long time.

Mild and non-irritating

Extracted from natural Watermelon, tomato essence is mild and non-irritating, suitable for all hair types, especially users with sensitive scalps, and will not cause scalp discomfort after use.

Antioxidant effect

Watermelon are rich in antioxidants, which help protect hair from environmental pollution and free radical damage, and maintain the health and luster of hair.

Refreshing and comfortable

The natural ingredients of Watermelon essence help balance scalp oil, reduce greasiness, make the scalp refreshing and comfortable, and can effectively prevent problems such as dandruff.

Enhance hair luster

Shampoo with Watermelon essence can nourish hair, enhance the natural luster and smoothness of hair, and make hair more beautiful and attractive.

Applications:

Whether you want to use shampoo at home or in the salon, this product is a great choice for you. It comes in a light yellow or colorless liquid and exudes a sweet aroma of Watermelon, making it a great choice for those who are looking for a refreshing shampoo scent.

Plant-scented shampoo is also great for those who like to use essential oils. Its sweet scent will make you smell good all day long, and the essential oils will nourish your hair, leaving it looking shiny and healthy.

This shampoo is suitable for both men and women. It is suitable for all hair types, including curly, straight, and wavy hair. You can use it every day to keep your hair clean and smelling fresh.

The fragrance of the Watermelon Shampoo Fragrance can be customized according to the needs of different brands. Whether adding a hint of citrus, herbal, or woody notes, the level and intensity of the fragrance can be finely tuned according to the brand positioning to create a unique product fragrance experience.

Therefore, whether you want to use it at home or in the salon, Plant-scented shampoo is a great choice for you. Its sweet scent will keep you smelling great all day long, and its essential oils will nourish your hair, leaving it looking healthy and shiny.

Customization:
