Product Description

Product Description:

Buffy Lavender Fragrance is a professional washing product that combines efficient cleaning with classic lavender fragrance. It uses imitation fragrance technology to perfectly reproduce the fresh and elegant scent of natural lavender. It can not only effectively remove stains, but also make clothes emit a lasting and charming fragrance. It is an ideal choice for your home washing.

Features:

Lavender imitation fragrance technology

Through cutting-edge fragrance compounding technology, natural and synthetic fragrances are scientifically matched to accurately simulate the fresh and natural fragrance of lavender, creating a sensory enjoyment that soothes the body and mind. The washed clothes emit a lasting and elegant fragrance, giving life an elegant atmosphere.

Efficient cleaning formula

Adopting advanced decontamination ingredients, it penetrates deep into the fiber layer, effectively removes stubborn stains, sweat stains and odors, while protecting the original color and softness of the fabric, helping clothes to stay bright and clean for a long time.

Gentle and non-irritating

The formula is mild and non-irritating, caring for hands and skin, and is also suitable for underwear and baby clothes, providing a safe washing option for the family.

Low foam and environmental protection

The low foam and easy-to-rinse formula design not only saves water and rinsing time, but also reduces detergent residue, which is more environmentally friendly and healthier, and protects the skin health of you and your family.
