Features:

Fresh and natural aroma

Sweet Orange fragrance has a fresh, bright, natural fruity aroma, which can quickly remove odors, improve indoor air quality, and make people feel refreshed and pleasant.

Powerful decontamination ability

In addition to the aroma, Sweet Orange fragrance also has natural decontamination properties, which can work with cleaning ingredients to help remove oil, stubborn stains and food residues.

Long-lasting aroma release

Sweet Orange fragrance can release fragrance for a long time, keep the air in the clean environment fresh, and provide a long-lasting fragrance experience.

Natural and harmless

Sweet Orange fragrance is usually extracted from natural plants, has low irritation, is more environmentally friendly and safer than some

chemical fragrances, and is suitable for household cleaning products.

Improve cleaning efficiency

Sweet Orange fragrance not only increases the aroma of the detergent, but also enhances the decontamination effect of the detergent through its natural acidic properties, making the cleaning work more efficient.

Wide applicability

Sweet Orange fragrance is suitable for a variety of cleaning products, such as kitchen cleaners, dishwashing detergents, floor cleaners, air fresheners, etc., which can meet various cleaning needs in home and commercial environments.
