Product Description

Product Description:

Fragrant Fragrance is an elegant, fresh and layered fragrance that combines a variety of natural and synthetic fragrances to bring users unparalleled olfactory enjoyment. This fragrance is like a feast of fragrance, like a mist in the morning light, light but deep, exuding soft floral and warm woody notes, which can evoke a calm and comfortable emotional experience.

Fragrance structure:

Top notes:

Citrus and bergamot bring fresh fruity fragrance, which makes people feel a refreshing and energetic morning.

The elegant green leaves and tea scents add a natural and fresh feeling, as if you are in a green forest.

Middle notes:

The floral scents of jasmine, rose and lily are intertwined and fragrant, like a beautiful blooming sea of flowers, fresh but not strong, bringing a gentle and romantic atmosphere.

The slight scent of violet and iris is added to it, adding depth and delicacy to the floral fragrance, bringing a touch of elegance and mystery.

Base notes:

Warm sandalwood, white musk and amber combine to create a tranquil, comfortable and lasting atmosphere, leaving a long fragrance aftertaste.

The blend of patchouli and vanilla brings a touch of calmness and comfort, making the fragrance richer and more complex.

Features:

Balance of freshness and elegance: With its light top notes and deep base notes, Fangmu fragrance shows both fresh and elegant fragrance characteristics, suitable for daily wear, and can balance the needs of various occasions.

Multi-level fragrance experience: The fragrance changes naturally and smoothly, from the fresh top notes to the warm base notes, the fragrance progresses layer by layer, giving users a long-lasting and rich fragrance experience.

High-quality natural fragrances: Selected natural flowers, fruity fragrances, and woody fragrances from all over the world, combined with modern perfumery technology, ensure the purity and durability of the fragrance.

Suitable for multiple occasions: Whether it is daily wear, romantic dates, business occasions, or important celebrations, Fangmu

fragrances can provide just the right fragrance, which is both elegant and modern.

Technical Parameters:

Applications:

1. Daily wear

How to use: Gently spray on the neck, behind the ears, wrists and other places where the pulse beats. The fragrance is gradually released with the body temperature and can last all day. The fragrance of Fangmu fragrance is very suitable for daily use. Whether it is going to work, going shopping, or gathering with friends, it will add a sense of freshness and elegance to you.

Applicable occasions: Suitable for daily occasions such as work, daily activities, social gatherings, etc. Its mild floral and woody base makes it a fragrance choice that is not too strong and attractive.

2. Romantic date

How to use: Before the date, you can spray Fangmu fragrance on the neck, chest or clothes to ensure that the fragrance floats lightly with your movements. Its floral and woody warm breath can add a romantic atmosphere.

Applicable occasions: romantic dinners, dates, couples' activities, etc. The fragrance of Fangmu fragrance is gentle and long, suitable for those romantic moments seeking delicate feelings and warm atmosphere.

3. Business and formal occasions

How to use: Spray Fangmu fragrance appropriately when attending business meetings, formal banquets or social gatherings. Its elegant floral and woody base can exude your mature charm without being noisy and enhance your personal temperament.

Applicable occasions: business banquets, professional gatherings, company events, social occasions, etc. The layered aroma can help you show confidence and elegance in formal occasions.
