## Product Description

### Product Description:

This sage sea salt fragrance combines the aroma of fresh sage with the aroma of mild sea salt, bringing a natural and soothing scent. The herbal aroma of sage is fresh and deep, and has a relaxing effect; sea salt adds a touch of marine freshness and the unique charm of minerals, making the whole fragrance more refreshing and purifying.

#### Features:

**Natural herbal aroma:** The fragrance of sage and the fresh taste of sea salt blend together to present a natural and fresh scent, which is suitable for purifying space or creating a relaxing atmosphere.

**Multi-purpose:** It can be used in indoor aromatherapy, perfume, skin care products, handmade soaps and other products, giving a unique aroma experience.

**Soothing and relaxing:** The combination of sage and sea salt can help relax the mood, relieve stress, and bring a pleasant physical and mental experience.

### Features:

**Fresh and natural aroma:** It combines the herbal aroma of sage and the fresh smell of sea salt, exuding a natural and peaceful atmosphere.

**Soothing and relaxing:** Sage has the effect of relaxing the mood and relieving stress, while the freshness of sea salt brings the effect of purifying the air and relaxing the body and mind.

**Purifying the air:** Sage itself has a certain purification function and is often used to enhance the freshness of the environment. It is suitable for indoor fragrance products.

**Multifunctional use:** It is suitable for aromatherapy, perfume, skin care products, handmade soap, shower gel and other occasions, and can give the product a unique fresh breath.

**Freshness and minerality:** The addition of sea salt brings a slight mineral taste, giving the aroma more layers and depth, and enhancing the overall refreshing feeling.

**Balanced herbal and marine scent:** The herbal aroma of sage combined with the marine scent of sea salt presents a natural and balanced fragrance, which is suitable for modern people to pursue a natural and simple lifestyle.

Comfortable and pleasant: The fragrance is mild and not pungent, suitable for long-term use, creating a relaxing and comfortable environment.  
The unique characteristics of this sage sea salt fragrance make it a popular choice for home, office and personal care products.

**Technical Parameters:**

Solubility	The ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

### Applications:

#### **Indoor Aromatherapy:**

As an aromatherapy essential oil, sage sea salt essence can help purify the air and enhance the freshness of the indoor environment. Suitable for aromatherapy lamps, diffusers, scented candles, etc., to create a peaceful and relaxing atmosphere.

Suitable for use in home environments, offices, yoga rooms and other places to help relieve stress and soothe the body and mind.

#### **Personal care products:**

Perfume: The aroma of sage and sea salt is very suitable as the base tone of fresh and natural perfume. Suitable for people who like herbal and marine scents.

Shower gel and shampoo: Adding sage sea salt essence to shower gel or shampoo can bring a refreshing experience to the bathing process and take away fatigue.

Skin care products: It can be added to skin care products such as lotions and creams to add a natural fragrance and make the use process more pleasant.

#### **Handmade soap:**

Adding sage sea salt essence to handmade soap can bring a natural and fresh fragrance to the skin, soothe the body and mind, and bring a unique washing and care experience.

### Support and Services:

Our Candle Fragrances products are backed by comprehensive technical support and services to ensure that you have a seamless experience with our products. Our team of experts is available to assist you with any technical questions or issues you may encounter. We also offer a range of services to help you get the most out of our products, including product training, troubleshooting, and customized solutions to meet your specific needs. Contact us to learn more about our technical support and services.

## Packing and Shipping:

### Product Packaging:

Each candle fragrance is carefully packaged in a sturdy plastic tub or iron drum with a lid to ensure safe shipping and storage. The jar is then placed in a decorative box and wrapped with bubble wrap for extra protection during shipping.

### Shipping:

Our candle fragrances are shipped via standard ground shipping. Orders are usually processed within 1-3 business days. Shipping time may vary depending on your location. We also offer expedited shipping options for an additional fee.
