Product Description

Product Description:

This bitter orange fragrance uses natural bitter orange extract, blending the freshness of the fruity aroma with a slight bitterness, bringing a unique, refreshing and slightly deep aroma. The aroma of bitter orange is fresh and pleasant, with both the unique fruity aroma of orange and a subtle bitterness, full of layers, neither monotonous nor depressing. It is a very suitable aroma for refreshing, purifying the air and creating a vibrant atmosphere.

Features:

Fresh fruity and slightly bitter: The aroma of bitter orange is both fresh and delicately bitter, with a unique sense of layering, which can both refresh and bring a soothing feeling.

Natural extraction: Using natural bitter orange extract, the aroma is pure, suitable for consumers who require natural ingredients.

Vitality and freshness: It has the effect of invigorating the spirit and refreshing the mind, suitable for use in work environments, sports spaces or any places that require a fresh atmosphere.

Multi-purpose: It can be used in personal care products such as perfumes, aromatherapy, shower gels, handmade soaps, and is also suitable as an aroma additive for air fresheners or household cleaning products.

Features:

Aroma. Its fragrance is both fresh and not monotonous, with both fruity and subtle bitterness.

Refreshing: The aroma of bitter orange has an invigorating effect, can help improve concentration, refresh the mind, and is especially suitable for use at work and study to help relieve fatigue and depression.

Natural extraction: Using natural bitter orange extract, the aroma is pure and natural, suitable for consumers who require natural ingredients, and no chemical additives.

Fresh and purifying the air: Bitter orange essence can purify the air, remove odors, and bring a sense of freshness to the indoor environment. It is suitable for use in spaces such as homes and offices.

Versatility: It is suitable for personal care products such as aromatherapy, perfume, shower gel, shampoo, handmade soap, etc. It can also be used as an aroma component for air fresheners or household cleaning products, and has a wide range of application scenarios.

Sense of balance and vitality: The aroma of bitter orange can bring a sense of freshness while adding a sense of vitality and power. It is

suitable for use in environments that require a fresh and energetic atmosphere.

Soothing and calming: Although bitter orange has a slightly bitter taste, it also has the effect of balancing emotions and soothing the mood, which can help reduce anxiety and bring inner peace.

Suitable for a variety of places: Whether it is home, office, yoga room, or SPA environment, bitter orange essence can bring a pleasant and refreshing atmosphere, adding vitality and freshness.

Solubility	The ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

Applications:

Aromatherapy and Air Freshener:

Aromatherapy Diffuser: Using bitter orange essence as an aromatherapy essential oil and placing it in an aromatherapy lamp or diffuser can help purify the air, enhance the freshness of the room, and bring a refreshing fruity aroma.

Air Freshener: Using bitter orange essence as the main fragrance of air freshener can remove indoor odors and create a fresh living environment. It is suitable for living rooms, kitchens, bathrooms and other spaces.

Personal Care Products:

Perfume: The fresh fruity and slightly bitter scent of bitter orange is very suitable for use as the base tone of perfume, bringing vitality and freshness, especially for people who like natural fruity scents.

Shower Gel and Shampoo: Adding bitter orange essence to shower gel and shampoo can add a fresh aroma to the bathing experience, help to invigorate the spirit and relax the body and mind.

Skin Care Products: It can be used in personal care products such as lotions, creams, and body lotions to bring a refreshing aroma and increase the pleasure of use.

Handmade soap and candles:

Handmade soap: Adding bitter orange essence can make the handmade soap have a fresh fruity scent, adding a pleasant feeling to the hand-washing and bathing process.

Aromatherapy candles: Adding bitter orange essence to homemade candles can emit a warm and refreshing aroma when lit, creating a relaxing and pleasant atmosphere.

Cleaning products:

Household cleaners: Adding bitter orange essence to cleaners can not only remove stains, but also bring a fresh and natural fruity scent, making it more pleasant when cleaning the home environment.

Laundry detergent or softener: Adding bitter orange essence to laundry detergent or softener can make clothes emit a fresh and natural aroma, bringing a refreshing dressing experience.
