## Product Description

### Product Description:

#### Flower World Fragrance Product Description:

This flower world fragrance is a romantic and elegant floral fragrance that combines a variety of classic floral scents to bring an experience like being in a sea of flowers. The fragrance is rich in layers, from the fresh petal fragrance to the rich floral fragrance, interspersed with subtle green leaf fragrance, making people feel as if they are immersed in the natural beauty of the changing seasons and the blooming and falling of flowers. It is a warm, soft and feminine fragrance suitable for consumers who love floral fragrance and seek elegance and tranquility.

**Multi-floral fusion fragrance:** Flower World Fragrance is a mixture of classic flowers such as roses, jasmine, lilies, and violets, presenting a multi-layered floral effect, gentle but not single.

**Romance and elegance:** The fragrance has a strong floral flavor and exudes a romantic atmosphere. It has both sweet floral fragrance and a hint of fresh green, which is suitable for people who desire an elegant atmosphere.

**Soothing mood:** Floral fragrance helps to relax emotions and relieve stress, and can create a warm and quiet environment, bringing peace and pleasure to the mind.

### Features:

It presents a layered floral fragrance experience. The fragrance of each flower is just right, giving people a feeling of being in a sea of flowers.

**Romance and elegance:** The fragrance of the flower world fragrance is full of romance, soft and lasting, warm but not oppressive. It combines the sweetness of the flower fragrance with the freshness of the green leaves to create an elegant and natural atmosphere.

**Freshness and warmth coexist:** The fragrance contains both the fresh fragrance of the petals and the rich fragrance of the flowers, so that the whole fragrance has both a natural freshness and a rich warm breath, which is suitable for a variety of different environments.

**Soothing the body and mind:** The flower fragrance has a good relaxation effect, which helps to relieve stress, soothe emotions, create a warm and quiet space, and make people feel relaxed and happy physically and mentally.

**Persistent fragrance:** The fragrance of the flower world fragrance is rich and lasting, and it can maintain the freshness and warmth of the flower fragrance even in a long period of use, which is suitable for maintaining a pleasant atmosphere for a long time.

Widely applicable: This fragrance can be widely used in a variety of products, such as perfume, aromatherapy, shower gel, skin care products, handmade soap, etc., suitable for various personal care and home life scenes.

Feminine charm: The floral fragrance emitted by the flower world fragrance is particularly suitable for women, bringing an elegant and gentle temperament, and also has the effect of enhancing personal charm.

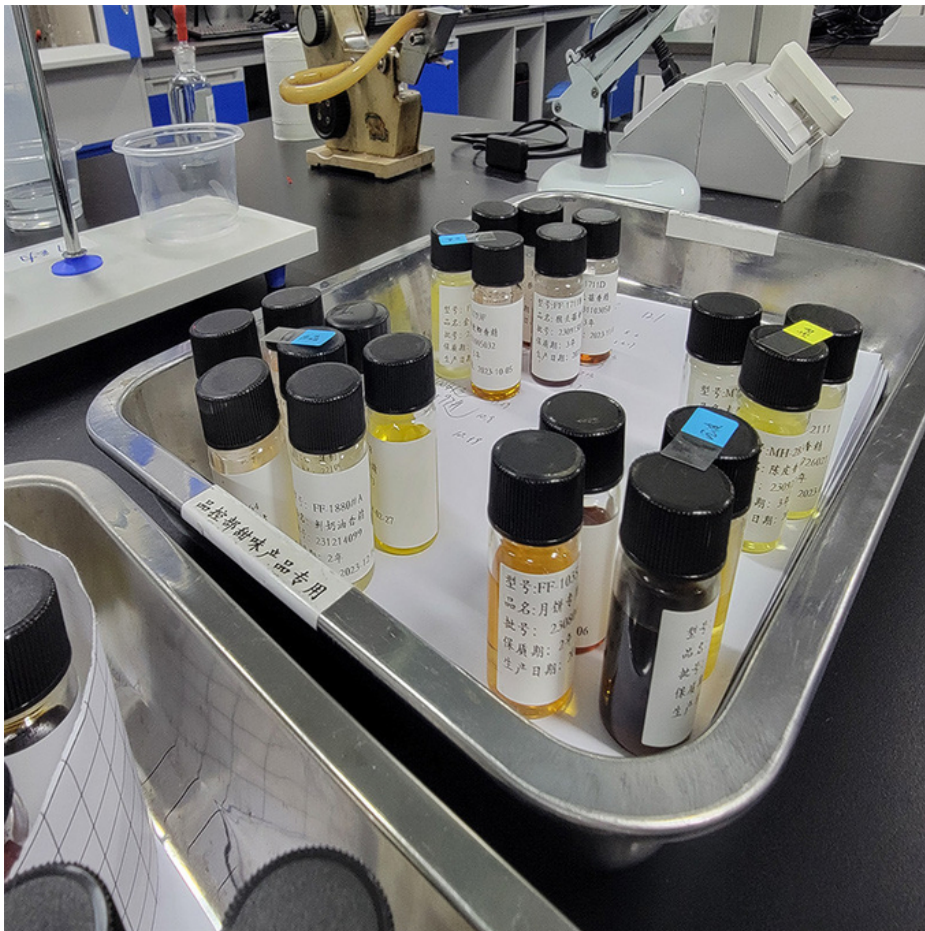

Natural floral fragrance: Using fine fragrance technology to restore the pure fragrance of natural flowers, people can feel the real and natural floral fragrance, avoiding the abruptness brought by artificial fragrances.
