Product Description

Product Description:

Our Floral Lux Fragrance is derived from natural ingredients, making it a safe and eco-friendly choice for those who are conscious about their environmental impact. It is also free from harsh chemicals that may irritate sensitive skin, making it a great option for those with delicate skin.

The Floral Lux Fragrance is designed to add a luxurious floral scent to your clothing cleanser scents. The fragrance has a long-lasting scent that is sure to leave your clothes smelling fresh and clean all day long. It is perfect for anyone who wants to add a touch of elegance to their laundry routine.

Our fragrance is suitable for use in both commercial and domestic settings. It is versatile and can be used in a range of laundry detergent products, including liquid, powder, and pod detergents. The natural fragrance will not interfere with the cleaning power of your detergent, ensuring that your clothes are not only clean but also smell great.

In conclusion, if you want to add a touch of luxury to your laundry routine, our Floral Lux Fragrance Laundry Detergent Fragrances is the perfect choice. It is a natural fragrance that is safe for the environment and your skin, and it will leave your clothes smelling fresh and clean all day long. Whether you are using it for personal or commercial purposes, our fragrance is sure to impress.

Features:

Fresh and natural aroma

Lux fragrance has a fresh, bright, natural fruity aroma, which can quickly remove odors, improve indoor air quality, and make people feel refreshed and pleasant.

Powerful decontamination ability

In addition to the aroma, Lux fragrance also has natural decontamination properties, which can work with cleaning ingredients to help remove oil, stubborn stains and food residues.

Long-lasting aroma release

Lux fragrance can release fragrance for a long time, keep the air in the clean environment fresh, and provide a long-lasting fragrance experience.

Natural and harmless

Lux fragrance is usually extracted from natural plants, has low irritation, is more environmentally friendly and safer than some chemical fragrances, and is suitable for household cleaning products.

Applications:

Lux essence is widely used in detergents. With its fresh and natural fragrance and excellent cleaning effect, it has become a common ingredient in many household cleaning products. In kitchen cleaners, Lux essence can remove oil stains, neutralize the smell of food residues, and keep the kitchen clean and fresh; in floor and surface cleaners, Lux essence provides a lasting fragrance to help remove stubborn stains and water stains; at the same time, Lux essence is also widely used in laundry detergents and softeners to add a fresh fragrance to clothes; in addition, it is also commonly used in dishwashing liquids and multi-purpose cleaners to enhance the cleaning effect and bring a fresh Lux aroma. Lux essence can not only enhance the aroma experience of detergents, but also improve cleaning efficiency, making the cleaning process more pleasant and efficient. It can not only effectively remove oil stains and odors, but also bring a long-lasting fresh fragrance, making the home environment more pleasant. The natural source of Lux essence makes it more environmentally friendly and safe, suitable for various cleaning needs in home and commercial environments.

Customization:

Our high-quality product has a shelf life of 1-3 years and comes with the advantage of 20 years of manufacturing experience. It is suitable for use in a range of perfume products and is commonly referred to as Perfume Fragrance Oil.
