## Product Description

### Product Description:

TheGreen Clean Fragrance is a light yellow or colorless liquid oil designed to infuse laundry detergents with a refreshing, clean aroma. Perfect for those seeking a naturally inspired scent, this fragrance enhances your detergent without relying on harsh perfumes or chemicals, ensuring your laundry smells fresh and invigorating after every wash.

One of the standout features of the Green Clean Fragrance is its formulation from natural ingredients. This makes it gentle on fabrics and safe for everyday use, even for sensitive skin. By incorporating this fragrance into your detergent formulation, you can provide a product that meets the growing consumer demand for eco-friendly and skin-safe options.

The Green Clean Fragrance is highly versatile, suitable for both handwashing and machine washing applications. Its oil- and water-soluble properties ensure seamless blending with various detergent bases, making it an ideal choice for liquid, powder, or pod detergents. A small addition of this fragrance to your detergent formulation transforms the washing experience, leaving clothes smelling clean, fresh, and free of irritants.

In summary, the Green Clean Fragrance is a natural, high-quality fragrance solution for laundry detergent formulations. It is safe, effective, and easy to integrate, offering the perfect scent enhancement for detergents catering to customers who value gentle yet effective laundry products. Choose the Green Clean Fragrance to elevate your detergent line with a refreshing and chemical-free aroma that consumers will love.

### Features:

#### Fresh and natural aroma

Green Clean fragrance has a fresh, bright, natural fruity aroma, which can quickly remove odors, improve indoor air quality, and make people feel refreshed and pleasant.

#### Powerful decontamination ability

In addition to the aroma, Green Clean fragrance also has natural decontamination properties, which can work with cleaning ingredients to help remove oil, stubborn stains and food residues.

#### Long-lasting aroma release

Green Clean fragrance can release fragrance for a long time, keep the air in the clean environment fresh, and provide a long-lasting fragrance experience.

#### Natural and harmless

Green Clean fragrance is usually extracted from natural plants, has low irritation, is more environmentally friendly and safer than some chemical fragrances, and is suitable for household cleaning products.

### Applications:

Green Clean essence is widely used in detergents. With its fresh and natural fragrance and excellent cleaning effect, it has become a common ingredient in many household cleaning products. In kitchen cleaners, Green Clean essence can remove oil stains, neutralize the smell of food residues, and keep the kitchen clean and fresh; in floor and surface cleaners, Green Clean essence provides a lasting fragrance to help remove stubborn stains and water stains; at the same time, Green Clean essence is also widely used in laundry detergents and softeners to add a fresh fragrance to clothes; in addition, it is also commonly used in dishwashing liquids and multi-purpose cleaners to enhance the cleaning effect and bring a fresh Green Clean aroma. Green Clean essence can not only enhance the aroma experience of detergents, but also improve cleaning efficiency, making the cleaning process more pleasant and efficient. It can not only effectively remove oil stains and odors, but also bring a long-lasting fresh fragrance, making the home environment more pleasant. The natural source of Green Clean essence makes it more environmentally friendly and safe, suitable for various cleaning needs in home and commercial environments.
