## Product Description

### Product Description:

Orange Fragrance is a fresh fragrance inspired by oranges, full of sunshine and vitality, bringing a fresh, sweet and energetic fragrance experience. It perfectly combines the refreshing fruity scent of oranges with subtle sweetness, exuding a natural, pleasant and relaxing atmosphere, as if you are in a sunny orange orchard, enjoying the gift of nature. The aroma of orange fragrance is bright and clear, giving people a fresh and uplifting feeling, which can instantly evoke people's good mood. It is an ideal fragrance for boosting spirits, relieving stress and bringing a pleasant mood. It is suitable for daily use and is also very suitable as a fragrance choice in spring and summer.

### Features:

#### Top Notes

Fragrance characteristics: fresh orange, mandarin and bergamot.

Sensory experience: bright, fresh and fruity, bringing a refreshing feeling like a spring breeze. Once the fragrance is sprayed, it immediately evokes a pleasant mood, as if you are in a sunny orchard.

#### Heart Notes

Fragrance characteristics: orange blossom, jasmine and a hint of herbal fragrance.

Sensory experience: The slightly sweet orange blossom and jasmine add a gentleness and delicacy to the fragrance, maintaining the fresh fruity fragrance and giving the fragrance a soft floral atmosphere.

#### Base Notes

Fragrance characteristics: vanilla, white musk.

Sensory experience: Warm vanilla and white musk add a touch of sweetness and softness to the orange essence, making the overall fragrance more balanced and lasting, giving people a warm feeling.

### Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of Tangerine Essence	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed
Refractive index (20°C)	1.4800-1.5000	1.4856	Confirmed
Solubility	The ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

### Applications:

#### 1. Fresh and uplifting fragrance

The fruity fragrance of orange essence is fresh and bright, with natural sweetness and refreshing taste, which makes the user feel refreshed and happy. It can instantly bring energy, help boost spirits, relieve stress and add vitality.

#### 2. Natural and pure

Using natural orange fragrance, the fragrance is pure and natural, avoiding the chemical taste of artificial fragrance. Suitable for people who like fresh fruity fragrance, and suitable for all skin types, especially sensitive skin.

#### 3. Suitable for all occasions

Due to its fresh and unobtrusive aroma, orange essence is very suitable for daily use. Whether it is at work, shopping, after exercise, or at family gatherings, dates and other occasions, it can bring you a fresh and comfortable feeling, adding vitality and charm.

#### 4. Suitable for use in all seasons

Orange essence is especially suitable for use in spring and summer. It has a fresh fruity scent, which is suitable for warm weather, but it can also bring a refreshing breath to the cold autumn and winter, balancing warmth and freshness.

#### 5. Light and lasting

Orange essence has good volatility, and the aroma is fresh and not strong, but it is also long-lasting enough. After using it in moderation, it can last for several hours, bringing you a pleasant and refreshing sensory enjoyment.

#### Usage suggestions

**Spraying position:** It is recommended to spray on the pulse beating parts, such as wrists, behind the ears, neck, etc., so that the fragrance can spread with the body temperature and play the best effect.

**When to use:** Suitable for daytime use, especially in spring and summer, or any time when you need to refresh and invigorate your spirit. It is also suitable for use when going out in the morning to make the day full of energy.

**Long-lasting feeling:** The fresh aroma of orange essence is long-lasting but not too strong, so use it in moderation. If you need a longer-lasting aroma, you can spray it on clothes or hair.

### Support and Services:

Our Soap Fragrances product technical support team is available to assist with any questions or concerns related to the performance of our fragrances in soap products. Our team has extensive knowledge of the chemistry behind fragrance formulations and can provide guidance on optimal usage rates, compatibility with different soap bases, and other technical aspects. Additionally, we offer a range of services to support our Soap Fragrances customers, including custom fragrance development, fragrance matching, and regulatory compliance support. Our goal is to ensure that our customers are able to create high-quality soap products that meet their specific needs and exceed their customers' expectations.

### Packing and Shipping:

#### Product Packaging:

The Soap Fragrances product will be carefully packaged in a cardboard box to ensure protection during shipping. The box will also be sealed with tape to prevent any tampering or accidental opening.
