Product Description

Product Description:

Earth Fragrance is a fragrance deeply inspired by nature, designed to bring the original breath and natural power of the earth into daily life. It combines natural elements such as forests, soil, wood and grass to bring a fragrance full of calm, tranquility and freshness, evoking the user's deep connection with nature. Earth Fragrance makes people feel as if they are in the forest in the early morning, feeling the fragrance of the soil and the fresh air, bringing a sense of balance and comfort to the mind.

The basic blend of the fragrance combines wood, grass and soil to present a primitive and natural beauty. This fragrance is suitable for users who pursue a quiet, pure and natural atmosphere, allowing people to find inner peace in the noisy world.

Features:
