## Product Description

### Product Description:

Our Candle Fragrances have a shelf life of 1-3 years, with opened fragrances lasting one year and unopened fragrances lasting three years. This ensures that you always have fresh and potent fragrances on hand for your candle making needs.

At our company, we believe in providing excellent after-sales service to all of our customers. If you have any questions or concerns about our Candle Fragrances, our team is always here to help.

Our Candle Fragrances are also known as Sakura Fragrance or Cherry Blossom Fragrance. These names reflect the delicate and floral scents that our fragrances are known for.

Our Candle Fragrances are perfect for daily flavor use and industrial flavor use, as well as being ideal for making fragranced wax candles. Whether you're a professional candle maker or just starting out, our fragrances will elevate your candle making to the next level.

### Features:

#### 1. Fresh and natural aroma

Sakura Fragrance aroma candle aromatherapy has a sweet fruity aroma, fresh and natural smell, which can immediately bring a cool feeling in summer, eliminate fatigue, and relax the body and mind. Whether placed in the living room, bedroom or bathroom, Sakura Fragrance aroma candle aromatherapy can inject pleasant fragrance into the home environment and create a warm atmosphere.

#### 2. Diverse applications

Sakura Fragrance aroma candle aromatherapy is not only used for traditional candle making, but can also be widely used in other home aromatherapy products, such as aromatherapy oils, air fresheners, aromatherapy lamps, etc. Its flexibility makes it suitable for a variety of home and commercial environments, from private homes to hotels, SPA and other places, which can effectively enhance the aromatherapy experience of the space.

#### 3. Easy to use and enhance product value

Sakura Fragrance aroma candle aromatherapy is very simple to use. It is usually added to the candle at a ratio of 1.2%-3% to release a lasting fragrance and create a comfortable environment. Due to its low usage ratio and significant effect, it has become the first choice of many candle manufacturers and DIY enthusiasts, which can enhance the added value of the product.

#### 4. Long-lasting fragrance

The fragrance of Sakura Fragrance aromatherapy candle essence is long-lasting and not easy to volatilize. It can be evenly distributed when the candle burns, bringing a long-lasting and pleasant fragrance. This persistence enables it to maintain a stable fragrance effect in any occasion, helping people maintain a relaxed mood and create an ideal living space.
