## Product Description

### Product Description:

Floral Lemon Fragrance is a vibrant and refreshing fragrance product that combines the refreshing sweetness of lemon with the soft fragrance of flowers, bringing a dual experience of freshness and elegance. It cleverly combines the freshness of lemon with various floral notes to create a bright and pleasant fragrance like the morning sun, allowing users to feel the freshness of nature and vitality. This fragrance takes lemon as the core, bringing a light and refreshing start, while the middle note brings a touch of sweetness and romance by adding a variety of floral scents (such as jasmine, rose, orange blossom, etc.). The base note adds depth and durability to the fragrance through warm woody notes and a slight hint of vanilla.

Floral Lemon Fragrance is a fragrance product that is very suitable for use in spring and summer. Its fresh fruity scent is mixed with elegant floral scents. It can not only refresh the air and improve mood, but also add a sense of pleasure and freshness to daily life.

### Features:

#### Top Notes

Features of spices: fresh lemon, bergamot and lime.

Sensory experience: Fresh and bright fruity aromas immediately hit the nose, with a sweet and sour pleasure, as if bathed in the morning sun, full of vitality and vitality.

#### Heart Notes

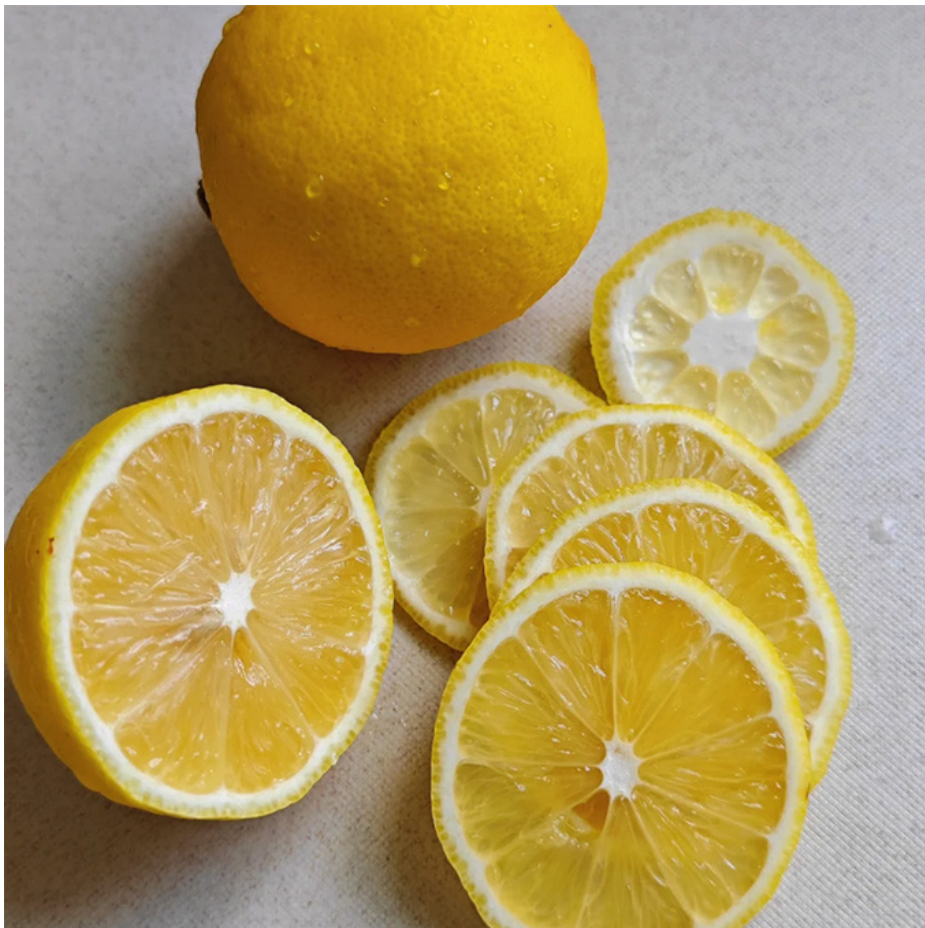

Features of spices: floral ingredients such as jasmine, orange blossom, rose and lily of the valley.

Sensory experience: The soft floral fragrance has a subtle sweetness, the fragrance is fresh but not sweet, giving people a warm and elegant atmosphere, as if you are in a garden and enjoying the fragrance of nature.

#### Base Notes

Features of spices: vanilla, cedar wood, white musk.

Sensory experience: The warm woody fragrance and the elegant vanilla fragrance provide a lasting base for this fragrance, making the overall fragrance more balanced and deep, bringing a touch of soft sweetness.
