Product Description

Product Description:

Ocean Fragrance is a fresh fragrance inspired by the sea, with the gentleness of the sea breeze, the freshness of salt water and the mystery of the deep sea. It condenses the vastness of the ocean and the power of nature into an unparalleled fragrance, exuding a refreshing, tranquil and open atmosphere. This fragrance makes the user feel as if they are on a vast coastline, feeling the sea breeze on their face, listening to the breath of the waves, and experiencing endless freedom and freshness.

The fragrance of ocean fragrance is fresh and deep. The top note has a refreshing citrus and sea breeze scent, as if the sea breeze is blowing on your face; the middle note is mainly seaweed, marine flowers and refreshing herbal notes, conveying the vitality and freshness of the ocean; the base note adds a depth and stability to the overall fragrance through the warm tone of wood and musk, making its fragrance more lasting and layered.

Ocean fragrance is suitable for consumers who love fresh, free and natural scents, especially for summer and seaside vacations, helping to release stress and bring a sense of relaxation close to nature.

Features:

Top Notes

Fragrance characteristics: citrus, bergamot, sea breeze, lime.

Sensory experience: Fresh, vibrant fragrance, with a refreshing sea breeze, instantly evokes people's beautiful associations with the sea. The sourness of citrus and the coolness of the sea breeze combine to bring an unparalleled sense of freshness.

Heart Notes

Fragrance characteristics: seaweed, marine flowers, green leaves, sea breeze herbs.

Sensory experience: The rich marine scent is intertwined with the floral fragrance, conveying a fresh marine vitality and natural breath. It not only has the freshness of the sea breeze, but also incorporates delicate plant fragrances, as if you are in a world where the ocean and nature are intertwined.

Base Notes

Fragrance characteristics: musk, cedar, ambergris, amber wood.

Sensory experience: The warm woody fragrance is perfectly integrated with the fresh marine fragrance, injecting a deep sense of calmness into the fragrance. With the support of the base notes, the fragrance lasts for a long time, giving people a sense of tranquility and relaxation.

Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of Ocean Essence	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed
Refractive index (20°C)	1.4800-1.5000	1.4856	Confirmed
Solubility	The ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

Applications:

1. A symbol of freshness and freedom

The ocean essence is based on the sea breeze, ocean and fresh herbal aromas, giving users an open, free and fresh sensory experience, as if they are in the endless sea, feeling the purity and vitality of nature.

2. Multi-layered aroma composition

The aroma is rich in layers, from fresh citrus to seaweed flowers, to warm wood and musk, gradually unfolding different aroma layers, bringing a complex and delicate fragrance experience. The transition of each layer of aroma is natural and smooth, bringing a continuous sense of pleasure.

3. Suitable for summer and outdoor activities

Ocean essence is an ideal choice for summer and outdoor activities. It can bring a cool and refreshing feeling. It is especially suitable for use in hot summer, or on vacation, at the beach, and after exercise to help keep fresh and energetic.

4. Mild and long-lasting

The aroma of marine essence is fresh and non-pungent, mild and long-lasting. Even in hot or humid environments, its aroma can still last, bringing a fresh atmosphere.

5. Suitable for all occasions

Whether it is daily use, vacation travel, or social events, marine fragrance can bring you a fresh and natural scent, suitable for any moment that requires a fresh and natural atmosphere.

Support and Services:

Our Blending Essential Oils product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction.
