## Product Description

### Product Description:

Our Candle Fragrances come in a yellow liquid oil form that is easy to mix and will create a strong scent when added to candles. We also offer free samples so you can try out our fragrances before committing to a larger purchase.

At our company, we value our customers and provide excellent after-sales service. If you have any questions or concerns about our Candle Fragrances, our team is here to help.

Our Candle Fragrances have a shelf life of 1-3 years. Once opened, the fragrance will last for one year, while unopened fragrances will last for three years. This allows you to stock up on your favorite candle scent without worrying about them expiring quickly.

Our Candle Fragrances are also versatile and can be used in both oil and water-based solutions. This makes them perfect for adding to your candle-making routine, whether you prefer oil or water-soluble solutions.

Experience the power of aromatic candle fragrances. Create a relaxing ambiance in your home or office with our alluring scents that will leave you feeling refreshed and rejuvenated. Order now and take advantage of our free samples to find your perfect scent!

### Features:

#### 1. Fresh and natural aroma

Candle aromatherapy essence exudes a fresh and natural aroma, injecting a pleasant atmosphere into your living space. Whether it is classic floral, fruity or elegant woody fragrance, it can bring a relaxing experience to the home environment, help eliminate fatigue, and create a warm and comfortable atmosphere. It is suitable for living rooms, bedrooms, bathrooms and other scenes.

#### 2. Convenient to use and enhance product value

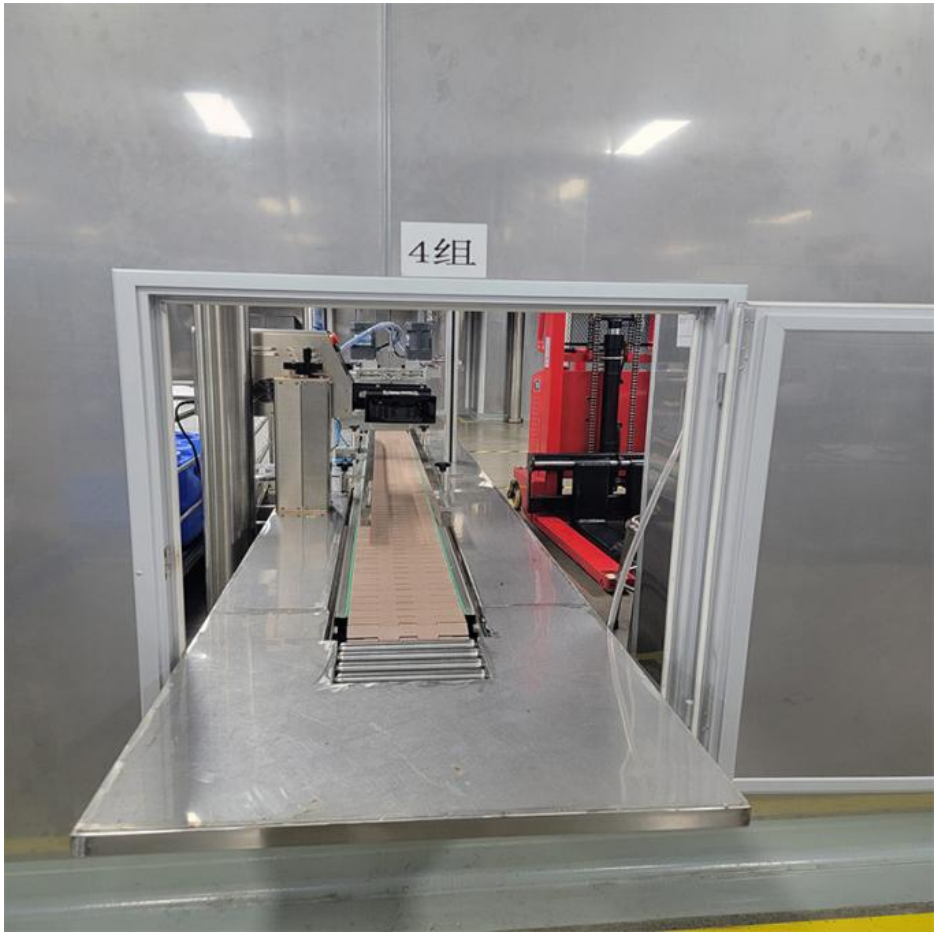

Candle aromatherapy essence is easy to use. Just add it to the wax base in proportion to release a lasting aroma. Its efficient performance and low dosage characteristics not only make production more cost-effective, but also greatly increase the added value of the product. It is an ideal choice for professional manufacturers and DIY enthusiasts.

#### 3. Long-lasting fragrance

Candle aromatherapy essence is famous for its long-lasting fragrance. During the burning process of the candle, the fragrance can be evenly released, providing a long-lasting aromatic experience for the space. Whether it is daily home or special occasions, it can bring a stable and pleasant fragrance effect.

#### 4. Natural raw materials, safe and environmentally friendly

High-quality candle aromatherapy essences are usually made of natural plant extracts, which are mild and non-toxic, and do not contain harmful chemical ingredients. They are very suitable for family use, especially for families with children or pets. Its environmental protection characteristics not only meet the modern consumer's pursuit of health, but also create a safe and worry-free living environment.
