Product Description

Product Description:

Scented tea essence is a fragrance product inspired by traditional scented tea. It combines the fragrance of many classic flowers with the freshness of tea leaves, presenting a mild, fresh tea fragrance and soft floral fragrance. Its fragrance makes people feel like they are in a cup of fragrant scented tea, which has both the romance and elegance of flowers and the freshness and elegance of tea leaves. This fragrance is particularly suitable for personal care, home fragrance, air freshness and other fields, and can bring a peaceful and comfortable fragrance experience.

Fragrance characteristics:

Top notes:

White tea: The fresh white tea fragrance is the base tone of the whole fragrance, with a light and delicate tea fragrance, fresh but not strong. Its fragrance is clean and pure, giving people a relaxed and pleasant feeling.

Jasmine: The fragrance of jasmine is fresh and sweet, and the floral fragrance is rich but not pungent. It gently permeates the entire fragrance, adding a gentle and elegant atmosphere.

Heart Notes:

Rose: The rose scent is fragrant, warm and layered, with a hint of sweet and fresh herbal fragrance, balancing the fragrance of white tea and jasmine, bringing a richer floral layer to the fragrance.

Orchid: The orchid scent is elegant and lasting. Its fragrance is delicate and elegant, adding an elegant and fresh temperament to the scented tea essence.

Base Notes:

Green Tea: The freshness of green tea is intertwined with the soft floral fragrance of scented tea, bringing a light tea fragrance that is fresh and long-lasting.

Warm Woody Fragrance: The woody aroma subtly sets off the entire fragrance, bringing a sense of quietness and warmth, making the fragrance more profound and lasting.

Features:

Multi-layered aroma: The scent of flower tea essence is rich in layers, from fresh tea fragrance to soft floral fragrance, and the gradual fragrance brings a delicate sensory experience. The top note is fresh, the floral middle note is gentle, and the base note brings the warmth of tea and wood, making the fragrance both fresh and lasting.

Natural plant ingredients: The fragrance is blended with selected natural plant fragrances, without artificial fragrances and chemical ingredients added. The fragrance is pure and natural, suitable for all skin types and home environments.

Soothing and tranquility: The fresh tea fragrance and gentle floral fragrance of flower tea fragrance are very suitable for relaxing the body and mind, relieving stress, and creating a quiet and comfortable environment. It can help you relax after a busy day and bring a relaxing and pleasant experience.

Wide range of applications: Flower tea fragrance can be widely used in personal care products such as perfume, shower gel, skin care products, etc., and is also very suitable for use as a home fragrance. It can be used with tools such as aromatherapy lamps and aromatherapy sticks to add a fresh flower tea atmosphere to the indoor space.

Environmentally friendly and healthy:

Using natural plant extracts, the fragrance ingredients are harmless and suitable for home and office environments, especially places with high air quality requirements, such as bedrooms and children's rooms.

Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of Floral Tea Fragrance	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed

Applications:

Personal care:

You can add flower tea essence to daily care products such as shower gel, perfume, shampoo, body lotion, etc., and let your skin exude a fresh and sweet flower tea aroma after use.

Home fragrance:

It can be used with aromatherapy lamps, aromatherapy sticks, air fresheners, etc. to diffuse the fragrance of flower tea throughout the space and create a relaxing and pleasant home atmosphere. Suitable for living rooms, bedrooms, bathrooms and other areas, especially suitable for use when relaxing or meditating.

Mixed use:

Flower tea essence can be used with other floral, fruity or tea fragrances to create a more colorful and personalized fragrance effect. For example, it can be mixed with jasmine, rose, lemongrass and other aromas to create your own unique fragrance.

Support and Services:

Our Soap Fragrances product comes with a comprehensive technical support and services package to ensure that our customers have a hassle-free experience. Our technical support team is available to answer any questions you may have about the product, including installation, troubleshooting, and maintenance.
