## Product Description

### Product Description:

Calendula essence is a plant fragrance product with unique charm, inspired by the natural fragrance of Calendula. Calendula is also known as the "healing flower" and is widely loved for its rich medicinal value and bright colors. Calendula essence combines the fresh floral fragrance of calendula with the gentle plant fragrance to bring a natural, soothing and refreshing fragrance. It is not only an aromatic skin care raw material, but also very suitable for home fragrance, air freshener and other fields, which can create a relaxing and peaceful atmosphere.

Fragrance characteristics:

The fragrance of calendula essence is fresh and soft, with elegant floral fragrance and warm plant scent. Its fragrance is not too strong, but light and natural, with a natural herbal fragrance, which makes people feel relaxed and happy.

Top note: The floral fragrance of calendula, with a hint of fresh herbal fragrance, gives people a natural and pure feeling.

Middle note: The warm floral fragrance gradually emerges, with subtle sweetness and herbal fragrance, full of tranquil comfort.

Base notes: Gentle woody and vegetal notes balance the sweetness of the floral scent, adding depth and persistence to the fragrance.

### Features:

Natural plant fragrance:

Calendula fragrance uses high-quality natural plant extracts, and the fragrance is pure and natural. There are no artificial fragrances and chemical ingredients added, which is suitable for various household and personal care products, safe and harmless.

Soothing and relaxing:

The fresh, herbal aroma of calendula fragrance can help relieve stress, relax the mood, and create a quiet and comfortable environment.

It is especially suitable for use when you are tired to help restore energy.

Versatile application:

This fragrance is suitable for a variety of uses, including personal care, home fragrance, air freshener, etc., which can bring you a natural and gentle fragrance experience. It can be mixed with other fragrances to create a personalized fragrance experience.

Mild and non-irritating:

Calendula fragrance has a mild property and is suitable for people with sensitive skin and those who are sensitive to chemical ingredients.

It is especially suitable for skin care and body care products.

#### Technical Parameters:
