Product Description

Product Description:

Xiehu Park Fragrance is a fragrance inspired by nature, blending the freshness of lakes, green plants and air, with a hint of tranquility and comfort. Its fragrance makes people feel as if they are walking in a quiet lakeside park and enjoying the baptism of nature. Xiehu Park Fragrance combines the fresh aquatic scent, the fragrance of grass and trees, and the subtle floral scent, bringing users a relaxing and peaceful experience as if they were in nature.

Fragrance Features:

Top Notes:

Fresh Aquatic Notes: A light, fresh aquatic scent is the beginning of this fragrance, as if the clear water surface of the lake is gently rippling. Water vapor brings an invisible tranquility, refreshing and energetic, giving people a sense of nature and relaxation.

Citrus Fruits: The light and bright scent of citrus adds a fresh and lively breath to the fragrance, just like the fresh air in the morning light by the lake.

Heart Notes:

Green Leaves: The scent of green leaves is full of vitality, with a fresh and natural breath, just like the fragrance of dense leaves in a summer park. It conveys the vitality of nature, balances the fresh water vapor, and makes the whole fragrance more layered.

Herbaceous Notes: The subtle herbal aroma further enhances the natural feeling of the fragrance, bringing a refreshing green and vitality, making the fragrance closer to the natural environment.

Base Notes:

Warm Woody Notes: The woody aroma adds depth to the fragrance, like the wooden plank road along the lake path, bringing a warm and stable feeling, soft and comfortable, soothing the body and mind.

Musk: The delicate musk increases the persistence and warmth of the fragrance, making the tail note of the fragrance softer and more lasting, just like the last moment immersed in the natural atmosphere in the park, fresh without losing depth.

Features:

Fusion of nature and freshness:

Xiehu Park fragrance combines multiple aromas of lake water vapor, green leaf herbs and warm wood, giving users a natural and fresh fragrance experience. It has a hint of lakeside tranquility, which can help relax the body and mind, relieve stress and create a relaxing atmosphere.

Suitable for a variety of occasions:

This fragrance is suitable for home, office space, perfume, shower gel, shampoo and other personal care products. Its fresh fragrance can help improve the air quality of the space and add a natural and pleasant atmosphere to life.

Persistence and layering:

Xiehu Park fragrance has strong persistence, from fresh water vapor to warm wood fragrance, the fragrance is rich in layering, can last for a long time, and create a lasting natural atmosphere.

Environmentally friendly and natural:

The fragrance is formulated with natural plant essences and high-quality spices, without artificial chemical ingredients, safe and harmless. Suitable for all skin types and environments, it is an ideal choice for consumers who pursue a natural lifestyle.

Technical Parameters:

| Testing Items | Standard Requirements | Testing Result | Conclusion |
