Product Description

Product Description:

Nordic Cloud Fragrance is a fragrance product inspired by the Nordic natural landscape, designed to capture the tranquility, freshness and purity brought to people by the Nordic sky and clouds. This fragrance usually has a fresh, light and slightly cool aroma, which combines elements of nature such as morning air, the smell of the ocean and the fragrance of the forest to bring a comfortable and refreshing experience.

Main fragrance characteristics:

Freshness and purity: The fragrance design of Nordic Cloud Fragrance is inspired by the vast sky and clean clouds in Northern Europe. The fragrance is fresh and pure, as if you are in a vast natural environment.

Floral and herbal scent: The fragrance may incorporate some light floral ingredients such as jasmine, lily of the valley or wild flowers, with a light floral scent, intertwined with the fresh green herbal scent to create a natural and soothing atmosphere.

Wood and marine notes: To better convey the scent of Nordic nature, Nordic cloud fragrances may also contain light woody aromas (such as white pine or cedar) and marine-flavored spices, bringing a feeling of a morning sea breeze blowing through the forest.

Cooling feeling: Some Nordic cloud fragrances may contain a hint of cooling feeling, similar to the smell of morning dew or moist air, making people feel refreshed and refreshing.

Features:

Floral ingredients: jasmine, lily of the valley, white rose and other floral ingredients give the fragrance a fresh and elegant aroma.

Herbal aroma: herbal spices such as mint, rosemary, and green leaves make the fragrance more fresh and natural.

Woody ingredients: woody aromas such as white pine, cedar, and sandalwood add layers to the fragrance, giving it a deep and warm background.

Marine ingredients: a slight sea breeze or ocean aroma brings a cool feeling and a sense of the boundless sky.
