## Product Description

### Product Description:

Our Scented Candle Fragrances are perfect for daily use, whether you're creating candles for personal use or to sell. Our fragrance oil is also suitable for industrial use, adding a pleasant scent to your products. With our Scented Candle Fragrances, you can add a unique touch to any project.

To ensure the longevity of our Candle Aromas and Scents, we recommend storing them in a cool, dry place in tightly sealed containers. This will help to preserve the fragrance and prevent it from being affected by external factors.

In addition to being a great addition to candle making, our Scented Candle Fragrances can also be used for a variety of other purposes. From adding a pleasant scent to cleaning products to enhancing the fragrance, our fragrance oil is versatile and easy to use.

Overall, our Scented Candle Fragrances are a must-have for anyone interested in candle making or adding a pleasant scent to their products. With a long shelf life and versatile usage options, our Candle Aromas and Scents are a great investment that will provide long-lasting value.

### Features:

#### 1. Fresh and natural aroma

Nordic Clouds aroma candle aromatherapy has a sweet fruity aroma, fresh and natural smell, which can immediately bring a cool feeling in summer, eliminate fatigue, and relax the body and mind. Whether placed in the living room, bedroom or bathroom, Nordic Clouds aroma candle aromatherapy can inject pleasant fragrance into the home environment and create a warm atmosphere.

#### 2. Diverse applications

Nordic Clouds aroma candle aromatherapy is not only used for traditional candle making, but can also be widely used in other home aromatherapy products, such as aromatherapy oils, air fresheners, aromatherapy lamps, etc. Its flexibility makes it suitable for a variety of home and commercial environments, from private homes to hotels, SPA and other places, which can effectively enhance the aromatherapy experience of the space.

#### 3. Easy to use and enhance product value

Nordic Clouds aroma candle aromatherapy is very simple to use. It is usually added to the candle at a ratio of 1.2%-3% to release a lasting fragrance and create a comfortable environment. Due to its low usage ratio and significant effect, it has become the first choice of many candle manufacturers and DIY enthusiasts, which can enhance the added value of the product.

#### 4. Long-lasting fragrance

The fragrance of Nordic Clouds aromatherapy candle essence is long-lasting and not easy to volatilize. It can be evenly distributed when the candle burns, bringing a long-lasting and pleasant fragrance. This persistence enables it to maintain a stable fragrance effect in any occasion, helping people maintain a relaxed mood and create an ideal living space.

#### 5. Natural ingredients, safe and harmless

Many Nordic Clouds aromatherapy candle essences use natural plant extracts as raw materials, which are safe and non-toxic, do not contain harmful chemicals, and are suitable for family use, especially for families with children or pets. They can be used with confidence to create a healthy and safe environment.

#### 6. Environmentally friendly and sustainable

As consumers' demand for environmentally friendly and sustainable products increases, the natural ingredients and environmentally friendly production process of Nordic Clouds aromatherapy candle essences cater to the market trend. Many products have passed green certification, proving that their production methods are environmentally friendly and meet consumers' environmental protection needs.

## Applications:

Nordic Clouds Candle fragrances are widely used in a variety of home fragrance products, especially scented candles, because of their unique fresh floral scent. It can inject a refreshing and pleasant atmosphere into the space, and is very suitable for living rooms, bedrooms, bathrooms and other places, bringing relaxation and comfort to life. Due to its easy operation, usually only a small amount of addition is required to continuously release the charming fragrance, significantly enhancing the fragrance effect and overall quality of the product. In addition, Nordic Clouds candle fragrances usually use natural extracts and do not contain harmful substances, ensuring the safety of the product, especially for families with children or pets. With the popularization of environmental protection concepts, more and more Nordic Clouds fragrance products meet the standards of sustainable development and meet the needs of modern consumers for healthy and environmentally friendly products. Whether it is daily home use or fragrance applications in commercial places, Nordic Clouds candle fragrances can bring lasting fresh fragrance to the space, significantly improving the quality of life and comfort.
