## Product Description

### Product Description:

Our Candle Fragrances have a shelf life of 1-3 years, with the opened bottle lasting up to a year and the unopened bottle lasting up to three years. This ensures that your candle making supplies will always be fresh and ready to use. Plus, we offer free samples of our Candle Fragrances so you can try them out before committing to a larger purchase.

Our Candle Fragrances are easy to use and only a small amount is needed to create a strong and long-lasting aroma in your candles. Simply add a few drops to your melted wax before pouring it into your candle jar or mold. The result will be a beautifully scented candle that will fill your home with warmth and comfort.

Our creamy vanilla essence or creamy vanilla fragrance essence is a classic scent that never goes out of style. It is perfect for creating a cozy and inviting atmosphere in your home. It is also a great addition to your candle making supplies if you sell your candles, as it is a popular scent that many people love.

Whether you are a beginner or a seasoned candle maker, our Candle Fragrances are a must-have in your candle making supplies. With their long shelf life, easy-to-use form, and delightful aroma, they are the perfect choice for creating fragranced wax candles.

### Features:

#### 1. Fresh and natural aroma

Creamy Vanilla aroma candle aromatherapy has a sweet fruity aroma, fresh and natural smell, which can immediately bring a cool feeling in summer, eliminate fatigue, and relax the body and mind. Whether placed in the living room, bedroom or bathroom, Creamy Vanilla aroma candle aromatherapy can inject pleasant fragrance into the home environment and create a warm atmosphere.

#### 2. Diverse applications

Creamy Vanilla aroma candle aromatherapy is not only used for traditional candle making, but can also be widely used in other home aromatherapy products, such as aromatherapy oils, air fresheners, aromatherapy lamps, etc. Its flexibility makes it suitable for a variety of home and commercial environments, from private homes to hotels, SPA and other places, which can effectively enhance the aromatherapy experience of the space.

#### 3. Easy to use and enhance product value

Creamy Vanilla aroma candle aromatherapy is very simple to use. It is usually added to the candle at a ratio of 1.2%-3% to release a lasting fragrance and create a comfortable environment. Due to its low usage ratio and significant effect, it has become the first choice of many candle manufacturers and DIY enthusiasts, which can enhance the added value of the product.

#### 4. Long-lasting fragrance

The fragrance of Creamy Vanilla aromatherapy candle essence is long-lasting and not easy to volatilize. It can be evenly distributed when the candle burns, bringing a long-lasting and pleasant fragrance. This persistence enables it to maintain a stable fragrance effect in any occasion, helping people maintain a relaxed mood and create an ideal living space.

#### 5. Natural ingredients, safe and harmless

Many Creamy Vanilla aromatherapy candle essences use natural plant extracts as raw materials, which are safe and non-toxic, do not contain harmful chemicals, and are suitable for family use, especially for families with children or pets. They can be used with confidence to create a healthy and safe environment.

#### Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of sweet scented Creamy Vanilla	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed

Solubility	The 1ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

#### Applications:

Creamy Vanilla Candle fragrances are widely used in a variety of home fragrance products, especially scented candles, because of their unique fresh floral scent. It can inject a refreshing and pleasant atmosphere into the space, and is very suitable for living rooms, bedrooms, bathrooms and other places, bringing relaxation and comfort to life. Due to its easy operation, usually only a small amount of addition is required to continuously release the charming fragrance, significantly enhancing the fragrance effect and overall quality of the product. In addition, Creamy Vanilla candle fragrances usually use natural extracts and do not contain harmful substances, ensuring the safety of the product, especially for families with children or pets. With the popularization of environmental protection concepts, more and more Creamy Vanilla fragrance products meet the standards of sustainable development and meet the needs of modern consumers for healthy and environmentally friendly products. Whether it is daily home use or fragrance applications in commercial places, Creamy Vanilla candle fragrances can bring lasting fresh fragrance to the space, significantly improving the quality of life and comfort.
