## Product Description

### Product Description:

Sea Salt Sage Fragrance is a natural fragrance essential oil that combines the freshness of the ocean and the warm aroma of herbs. The freshness and purity of sea salt and the herbal aroma of sage interweave to bring a deeply soothing and refreshing sensory experience. This fragrance can instantly inject a refreshing breath into the space, creating a tranquil atmosphere like the sea breeze, while making people feel relaxed and comfortable. Suitable for a variety of products, such as home fragrance, personal care, body care and essential oil blending.

Fragrance level:

Top note (fresh sea breeze): The aroma of sea salt is full of the breath of the morning sea breeze, with a slightly salty taste and a moist sea water feeling, instantly awakening the senses and giving people a broad and natural feeling.

Middle note (herbal fragrance): The aroma of sage is light and soft, with a light herbal fragrance, fresh but not pungent, with a slight woody scent, giving people a warm and peaceful experience. Sage has a slight vanilla scent, which makes people feel calm and relaxed.

Base Notes (Warm Woody): As the fragrance gradually spreads, musk and slight woody aromas emerge, bringing a soft and comfortable lasting feeling. The woody notes enrich the entire fragrance layer, exuding a warm and deep atmosphere.

### Features:

Natural freshness: Sea salt brings a fresh breath as vast as the ocean, as if you are in the embrace of nature, relaxing your body and mind.

Herbal soothing: The aroma of sage is rich in herbal essence, which has the effect of relaxing and soothing nerves. It can effectively reduce stress, relieve anxiety, and bring soothing and calming effects.

Fresh and lasting: The combination of sea salt and sage not only brings an initial sense of freshness, but also maintains the lasting fragrance after long-term use, which is suitable for daily home and personal care use.

Multi-purpose application: It is suitable for wide application in scented candles, air fresheners, bath products, perfumes, skin care products, etc., so that the fragrance can be integrated into every detail of life.

### Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of sweet scented Sage Sea Salt Essence	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed
