## Product Description

### Product Description:

Bitter orange essence is extracted from the peel and flowers of the bitter orange tree. Its aroma combines the freshness of fruit and the sweetness of flowers with a subtle bitterness. The fragrance is rich in layers. The top note presents a fresh citrus aroma with a unique sweet and sour feeling. The middle note releases a light floral scent with a light herbal scent, and the base note is a gentle wood and vanilla aroma, forming a perfect balance. Bitter orange essence has an uplifting property that can bring a sense of pleasure and a soothing effect. It is a fragrance that is suitable for daily use and can bring a relaxing and calming experience.

Fragrance level:

Top note: Fresh and bright citrus aroma with a slight bitterness and acidity, which makes people feel the natural and refreshing breath instantly.

Middle note: The floral scent gradually appears, with a light orange blossom scent and a slight herbal note, warm and sweet.

Base note: The gentle woody and vanilla scents are the base notes, bringing a peaceful and warm aftertaste, making the overall fragrance more lasting and soft.

### Features:

Refreshing and refreshing: The bitter orange aroma has the effect of enhancing vitality and refreshing the spirit, which can make people feel the power of freshness and nature.

Soothing and relaxing: The aroma of orange blossom has a gentle soothing effect, which helps to relieve stress, relieve anxiety, and provide psychological relaxation.

Multi-layered aroma: The rich layers and delicate changes of the aroma make it show unique charm in different usage scenarios.

Long-lasting fragrance: The aroma design that combines fruity and floral scents makes the fragrance last in the air for a long time, bringing a comfortable aroma experience.

### Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion
Character	yellow liquid, with the aroma of sweet scented Bitter Orange	Qualified	Confirmed
Density	0.9380-0.9500	0.9410	Confirmed
