### Features:

**Fresh and natural aroma**

Ginger Flower fragrance has a fresh, bright, natural fruity aroma, which can quickly remove odors, improve indoor air quality, and make people feel refreshed and pleasant.

**Powerful decontamination ability**

In addition to the aroma, Ginger Flower fragrance also has natural decontamination properties, which can work with cleaning ingredients to help remove oil, stubborn stains and food residues.

**Long-lasting aroma release**

Ginger Flower fragrance can release fragrance for a long time, keep the air in the clean environment fresh, and provide a long-lasting fragrance experience.

**Natural and harmless**

Ginger Flower fragrance is usually extracted from natural plants, has low irritation, is more environmentally friendly and safer than some chemical fragrances, and is suitable for household cleaning products.

**Improve cleaning efficiency**

Ginger Flower fragrance not only increases the aroma of the detergent, but also enhances the decontamination effect of the detergent through its natural acidic properties, making the cleaning work more efficient.
