Product Description

Cool Water Essence Fragrance Oils Liquid Fragrance Concentrate

Product Description

Our Skin Care Fragrances are specially formulated for daily use with gentle skin compatibility. The Cool Water Essence serves as both a fragrance oil and essential oil component in skincare formulations. This liquid fragrance concentrate adds a pleasant, refreshing scent to various products while maintaining skin-friendly properties.

Key Features

Natural and refreshing aroma: Features a distinct fruity fragrance that enhances skincare products with a fresh, sweet scent for a relaxing sensory experience.

Skin health benefits: Provides antioxidant support, promotes skin metabolism, and helps maintain skin radiance while potentially slowing visible aging.

Sensitive skin compatible: Formulated with natural plant extracts for gentle care without common irritation or allergic reactions associated with artificial fragrances.

Moisturizing properties: Contains natural enzymes that help lock in moisture, keeping skin soft and hydrated when incorporated into skincare formulations.

Technical Specifications

Testing Items	Standard Requirements	Testing Result	Conclusion
