## Product Description

### Product Description:

The Shampoo Fragrances product is widely used in the personal care industry to provide a long-lasting, pleasant scent to shampoos, conditioners, and other hair care products.

One of the most significant benefits of using our Shampoo Fragrances is that it is a natural fragrance, free from any harmful chemicals, and does not cause any adverse reactions on the scalp. The natural scent of almond is used to create a refreshing and soothing aroma that can help in reducing stress and anxiety.

Our Shampoo Fragrances product is highly versatile and can be used in various applications, including Home Fragrance Essential Oils, Body Essential Oils Perfume, and Fragrance Oil Essential Oil. The fragrance can be added to these products in a ratio of 0.1%-0.5%, depending on the desired scent intensity.

Our company provides free samples of Shampoo Fragrances to help our customers evaluate the product before making a purchase. The product is available in different quantities and packaging options to meet the diverse needs of our customers.

In conclusion, Shampoo Fragrances by our company is an excellent choice for anyone looking to add a natural, refreshing scent to their hair care products. It is a safe, effective, and versatile product that can be used in various applications, including Home Fragrance Essential Oils, Body Essential Oils Perfume, and Fragrance Oil Essential Oil. Try our product today and experience the difference.

### Features:

#### Natural aroma

Almond essence provides a unique fresh fruity aroma, which not only makes the shampoo full of pleasant smell during use, but also leaves a light fragrance to keep the hair fresh for a long time.

#### Mild and non-irritating

Extracted from natural Almond, tomato essence is mild and non-irritating, suitable for all hair types, especially users with sensitive scalps, and will not cause scalp discomfort after use.

#### Antioxidant effect

Almond is rich in antioxidants, which help protect hair from environmental pollution and free radical damage, and maintain the health and luster of hair.

#### Refreshing and comfortable

The natural ingredients of Almond essence help balance scalp oil, reduce greasiness, make the scalp refreshing and comfortable, and can effectively prevent problems such as dandruff.

#### Enhance hair luster

Shampoo with Almond essence can nourish hair, enhance the natural luster and smoothness of hair, and make hair more beautiful and attractive.

### Technical Parameters:

product type	peference addition(%)	produce type	reference addtion(%)
perfume	5%-15%	paint	0.05%-0.2%

### Applications:

Whether you want to use shampoo at home or in the salon, this product is a great choice for you. It comes in a light yellow or colorless liquid and exudes a sweet aroma of Almond, making it a great choice for those who are looking for a refreshing shampoo scent.

Plant-scented shampoo is also great for those who like to use essential oils. Its sweet scent will make you smell good all day long, and the essential oils will nourish your hair, leaving it looking shiny and healthy.

This shampoo is suitable for both men and women. It is suitable for all hair types, including curly, straight, and wavy hair. You can use it every day to keep your hair clean and smelling fresh.

The fragrance of the Almond Shampoo Fragrance can be customized according to the needs of different brands. Whether adding a hint of Almond, herbal, or woody notes, the level and intensity of the fragrance can be finely tuned according to the brand positioning to create a unique product fragrance experience.

Therefore, whether you want to use it at home or in the salon, Plant-scented shampoo is a great choice for you. Its sweet scent will keep you smelling great all day long, and its essential oils will nourish your hair, leaving it looking healthy and shiny.
