Product Description

Product Description:

Our Laundry Detergent Fragrances have a light yellow or colorless liquid oil form, making them easy to mix into your soap. They are scented like green apple fragrance, providing a fresh and fruity aroma to your laundry soap.

Our fragrances are designed to be added to your soap in small quantities, with an add ratio of 0.1%-0.5%. This ensures that your soap will have the perfect amount of fragrance, without being overpowering.

Our Laundry Detergent Fragrances are the perfect solution for those looking to add a little extra scent to their laundry soap. With our natural fragrances, you can be sure that your soap will be safe and healthy for your family. So why wait? Try our Washing Liquid Perfumes today and experience the difference for yourself!

Features:

Fresh and natural aroma

Green Apple fragrance has a fresh, bright, natural fruity aroma, which can quickly remove odors, improve indoor air quality, and make people feel refreshed and pleasant.

Powerful decontamination ability

In addition to the aroma, Green Apple fragrance also has natural decontamination properties, which can work with cleaning ingredients to help remove oil, stubborn stains and food residues.

Long-lasting aroma release

Green Apple fragrance can release fragrance for a long time, keep the air in the clean environment fresh, and provide a long-lasting fragrance experience.

Natural and harmless

Green Apple fragrance is usually extracted from natural plants, has low irritation, is more environmentally friendly and safer than some chemical fragrances, and is suitable for household cleaning products.

Improve cleaning efficiency

Green Apple fragrance not only increases the aroma of the detergent, but also enhances the decontamination effect of the detergent through its natural acidic properties, making the cleaning work more efficient.

Technical Parameters:

Testing Items	Standard Requirements	Testing Result	Conclusion

Solubility	The 1ml sample is soluble in 3ml volume fraction of 90% ethanol, a clear and transparent liquid	Qualified	Confirmed

Applications:

Green Apple essence is widely used in detergents. With its fresh and natural fragrance and excellent cleaning effect, it has become a common ingredient in many household cleaning products. In kitchen cleaners, Green Apple essence can remove oil stains, neutralize the smell of food residues, and keep the kitchen clean and fresh; in floor and surface cleaners, Green Apple essence provides a lasting fragrance to help remove stubborn stains and water stains; at the same time, Green Apple essence is also widely used in laundry detergents and softeners to add a fresh fragrance to clothes; in addition, it is also commonly used in dishwashing liquids and multi-purpose cleaners to enhance the cleaning effect and bring a fresh Green Apple aroma. Green Apple essence can not only enhance the aroma experience of detergents, but also improve cleaning efficiency, making the cleaning process more pleasant and efficient. It can not only effectively remove oil stains and odors, but also bring a long-lasting fresh fragrance, making the home environment more pleasant. The natural source of Green Apple essence makes it more environmentally friendly and safe, suitable for various cleaning needs in home and commercial environments.
