## Product Description

### Product Description:

"Lux Fragrance" is a high-quality fragrance series designed for personal care and household products, widely used in shampoo, shower gel, soap, conditioner and other products. Lux Fragrance emphasizes elegant, lasting, fresh and uniquely charming fragrance, providing consumers with a pleasant olfactory enjoyment, while enhancing the brand's high-end positioning and market competitiveness.

Lux Fragrance is a fragrance series designed for high-end personal care products. It uses the world's top fragrances and combines advanced perfumery technology to provide a long-lasting, elegant and comfortable fragrance experience for various shampoo, bath and skin care products. Whether it is shampoo, shower gel, soap or skin cream, Lux Fragrance can inject a unique fragrance into your brand, enhance the consumer's experience, and strengthen the high-end and luxurious feeling of the product.

Unique fragrance level: Lux Fragrance is characterized by a unique fragrance structure, usually including fresh and soft top notes, floral or fruity middle notes and deep woody or musky tail notes. The overall fragrance is balanced and lasting, which can bring rich olfactory enjoyment to consumers.

Long-lasting fragrance: Lux fragrances use high-quality fragrance ingredients, which can maintain fragrance for a long time after use, allowing consumers to enjoy an elegant and fresh scent all day after washing and care, and enhance the personal care experience.

Wide adaptability: The fragrance can be used in a variety of personal care products, including shampoo, conditioner, shower gel, soap, body lotion, etc., and is compatible with different formulas without affecting the stability and efficacy of the product.

High-end quality: Lux fragrances are committed to providing high-end and luxurious fragrance experience, selecting natural and synthetic fragrances, using modern fragrance technology to ensure that the fragrance is pure, natural and does not irritate the skin, in line with international quality and safety standards.

Safety and environmental protection: All ingredients comply with international certification standards such as ISO, FDA, EU, etc., ensuring safe use and environmental friendliness, suitable for all kinds of sensitive skin, and do not contain harmful ingredients.

Customized service: Lux fragrances provide customized services, according to the characteristics of the brand and product, market demand and consumer preferences, to formulate exclusive fragrances and create a personalized fragrance experience.

### Features:

High-end luxury fragrance: Lux fragrances are designed with elegance and durability in mind, giving personal care products a strong high-end atmosphere and enhancing the brand image.

Versatile applicability: Suitable for a variety of products such as shampoo, conditioner, shower gel, soap, skin care products, etc., to meet the wide needs of the market.

High quality guarantee: Selected natural and synthetic fragrances meet international quality standards to ensure safe use and excellent results.

Environmental protection and safety: Comply with global safety certification standards to ensure that the fragrance ingredients are safe and harmless, suitable for all skin types, environmentally friendly and sustainable.

### Applications:

**Shampoo and Conditioner:** Provide fresh, comfortable and long-lasting fragrance for shampoo and conditioner, making every shampooing a luxurious experience.

**Shower Gel and Soap:** Add pleasant floral, fruity or woody fragrance to shower gel and soap, giving consumers a unique bathing experience and feeling the pleasure of every touch of the skin.

**Skin Care Products:** Such as moisturizer, body lotion, etc., through fine fragrance adjustment, the fragrance of skin care products is made lasting, while enhancing the high-end sense of the product.

**Air Freshener and Home Care:** It can be applied to products such as air fresheners, household detergents, fabric softeners, etc., making the home environment full of natural and fresh fragrance.

### Support and Services:

Our Fragrance Oils are made with high-quality ingredients, designed to provide long-lasting scent in various applications including candles, soaps, and diffusers. Our technical team is available to provide support and guidance on the proper usage and handling of our products to ensure optimal results. We pride ourselves on our excellent customer service and strive to provide timely and effective solutions to any issues that may arise with our products. Additionally, we offer custom fragrance development services to meet your unique needs and preferences.

### **Packing and Shipping:**

#### **Product Packaging:**

The fragrance oils will be packaged in glass bottles with tightly sealed caps to prevent any leakage or evaporation during shipping.

The bottles will be labeled with the fragrance name, volume, and any safety information.

The glass bottles will be carefully wrapped in bubble wrap and placed in a sturdy cardboard box for shipping.

#### **Shipping:**

The fragrance oils will be shipped via standard ground shipping through a reputable carrier.

Shipping costs will be calculated based on the weight and destination of the package.

Customers will receive a tracking number via email once the package has been shipped.

Please allow 3-5 business days for delivery within the United States, and longer for international shipments.
