Product Description

Product Description:

"Miami Smoke Fragrance" fragrance is a fragrance product with a strong urban flavor and rich layering, designed for you who pursue a unique fragrance experience. Inspired by Miami, a seaside city that combines tropical atmosphere with modern prosperity, the fragrance composition of the product is like the unique charm of this city: passionate, free and with a hint of mystery.

Fragrance analysis:

Top note: The fresh and vibrant citrus and lemon aromas are intertwined with the natural scent of green leaves, like the morning sea breeze blowing on your face, bringing an unparalleled sense of freshness and pleasure. This top note instantly awakens the senses and takes you into a fresh, sunny and energetic space.

Middle note: As time goes by, the fragrance gradually turns to the warm and calm tonality of tobacco and vanilla, combined with the subtle sandalwood scent, presenting a low-key luxury and elegance. The warmth of tobacco and the depth of wood blend to create a unique sense of maturity and urban calm atmosphere. It reminds you of the beach at night in Miami, a cocktail under the starry sky, leisurely and fashionable.

Base note: The sweetness of amber and the softness of musk, combined with a slight sweet fragrance, form the perfect ending of the fragrance. This lasting warmth and subtle sweetness seem to freeze time in a quiet night, making you feel peaceful and comfortable. This base note brings a lasting aftertaste to the entire fragrance, intoxicating, as if every breath is reminding you that it is the freedom and warmth of Miami.

High-concentration fragrance formula: Each drop contains a strong and lasting fragrance, ensuring that the fragrance lasts for a long time after use.
