Product Description

Product Description:

Inspired by the aroma of fresh lychee pulp, the lychee essence extracts the unique sweet fruity aroma of lychee, which is fresh and natural, exuding the attractive aroma of ripe fruit. This fragrance is rich in layers. It has a fresh and sweet fruity aroma at first, the middle note shows the soft sweetness and sourness of lychee, and the tail note leaves a silky pulp aftertaste, which makes people linger. Whether it is used as a home fragrance or a personalized perfume, this fragrance can bring you a refreshing and sweet experience like summer.

Main features

1. Natural and sweet lychee fruit aroma

Lychee essence restores the aroma of fresh lychee pulp, which is sweet and delicious, with a hint of transparency of pulp juice. The aroma is rich but not too sweet, suitable for various scenes and seasons. It has both the enthusiasm of tropical fruits and the gentle and fresh fruity aroma, making people feel as if they are in a lychee orchard, experiencing the breath of sunshine and nature.

Aroma levels:

Top note: The fresh juice fragrance of fresh lychee, with a slight sweet and sour feeling.

Middle note: The soft sweetness of rich lychee pulp interweaves with light floral notes to create a rich fruity layer.

Base note: The aftertaste is warm and fruity, bringing a gentle and comfortable feeling.

Features:

1. Long-lasting fragrance experience

Lychee fragrance uses advanced molecular fragrance locking technology to ensure that the fragrance is released slowly and lasts for a long time. Whether used for home fragrance or personal fragrance, it can last for hours, bringing the sweet fruity fragrance into every detail of life.

2. Multi-purpose and widely applicable scenarios

Lychee fragrance has a wide range of uses and can be used for home air freshening, personalized perfume blending, bath product addition, skin care product production, etc. Its sweet fruity fragrance can be easily integrated into daily life, bringing you a caring fragrance experience.

Home fragrance: suitable for living room, bedroom, bathroom, etc., to create a warm and fresh home environment.

Personal care: used as an additive for perfume, body lotion, and skin care oil to add fruity charm to your skin.

Special occasions: used in banquets, parties and other occasions to add enthusiasm and vitality and enhance the atmosphere.

3. Pleasant mood and stress relief effect

The sweet fruity fragrance of lychee has the effect of pleasing the senses and relaxing the mood. Studies have shown that fruity fragrance can effectively relieve stress and bring a relaxed and pleasant feeling. It is a natural "healing fragrance" in busy life.

4. Natural, pure and environmentally friendly

Lychee essence is extracted from 100% natural fruits, without any chemical fragrances or artificial additives. It is environmentally friendly and safe, suitable for all skin types and home use.

Non-toxic: mild and non-irritating, can be used in personal care products with confidence.

Environmentally friendly packaging: the bottle is made of recyclable glass, which is both environmentally friendly and beautiful and practical.

5. Creative and DIY-friendly

Lychee essence can be mixed with other essences and essential oils to create a unique fragrance combination. Common combinations include: lychee + rose, lychee + coconut, lychee + citrus, etc., providing you with unlimited creative possibilities.

Applications:

Applicable occasions

Home environment: drop it into the diffuser, let the fruity fragrance fill the whole room, and create a relaxing and sweet atmosphere.

Personal perfume: suitable as the middle or top note of perfume blending, bringing fresh and sweet fruity fragrance to personalized perfume.

Bath and skin care: add it to shower gel or body lotion, let the fruity fragrance linger on the skin, adding a sense of luxury.

Special occasions: used in weddings, birthday parties and other occasions, adding the unique charm of tropical fruits to the gathering time.

How to use

1. Home fragrance

Diffuser: add 3-5 drops of lychee essence to the diffuser, and the fragrance can be diffused after turning it on.

Aromatherapy lamp: drop the essence into the water in the aromatherapy lamp tray, light the candle, and the fragrance quickly fills the whole space.

2. Personalized perfume

Add 10-15 drops of lychee essence to 30ml base oil (such as sweet almond oil, grapeseed oil), shake it well and put it into the spray bottle, it can become your personalized perfume.

3. Bathing and skin care

Bath use: drop 3-5 drops of essence into the bathtub, mix with hot water, and enjoy a fruity bathing experience.

Skin care: add appropriate amount of lychee essence to body lotion or skin care oil, apply all over the body, let the fruity fragrance accompany you for a long time.
