Product Description

Product Description:

Peony, known as the "king of flowers", has a fragrant, elegant and generous fragrance. Our peony flower fragrance retains the unique fragrance of peony flowers through fine extraction technology. It is fresh, floral, layered, soft and lasting. This fragrance can not only bring a fresh and comfortable atmosphere, but also enhance the taste and temperament of life. It is an ideal choice for home fragrance, personal care and occasion decoration.

Main features

1. Natural peony fragrance

Peony flower fragrance is extracted from high-quality peony flowers, retaining the natural fragrance of peony. The fragrance is elegant, fresh and sweet, with a hint of freshness of morning dew. Its fragrance is soft and delicate, not pungent or strong, but it is very penetrating and layered, and can quickly penetrate the entire space.

Fragrance level: When you first smell it, the peony flower fragrance is fragrant, with the sweet fragrance of petals; as time goes by, the fragrance gradually turns into a warm and soft floral fragrance, giving people an elegant and comfortable feeling.

2. Long-lasting

The unique molecular structure of peony fragrance can slowly release fragrance for a long time. After use, the fragrance diffuses naturally in the air, maintaining the floral fragrance for several hours, creating a pleasant and fresh environment.

3. Multi-purpose and multi-scene application

Peony fragrance has a wide range of application scenarios. Whether it is home, office, personal care or decoration for special occasions, it can perfectly fit and bring a full range of fragrance enjoyment.

Home fragrance: suitable for living room, bedroom, bathroom and other spaces to create a warm, romantic and elegant family atmosphere.

Personal care: It can be used as a basic fragrance for homemade perfume, skin care oil, shower gel, etc., to enhance the floral fragrance of the product used, making your daily care more enjoyable.

Office environment: Used in an office environment, it can help reduce work pressure, improve concentration, and create a comfortable and pleasant working atmosphere.

Festivals and gifts: As an exquisite gift for relatives, friends, colleagues or lovers, the noble fragrance of peony fragrance is suitable for various festivals and occasions, and is a way to convey warmth and care.

Features:

Regulate emotions and relieve stress

Peony flower essence not only brings a fragrant aroma, but its mild fragrance has a positive effect on emotions. It can help relieve anxiety, tension, relieve stress, and bring inner peace and relaxation. It is the perfect companion for activities such as meditation and yoga, and can help you enter a state of deep relaxation.

High purity and environmental protection

Peony flower essence uses 100% natural peony flower extract, does not contain any harmful chemicals such as preservatives, artificial colors or synthetic fragrances, is safe and harmless, and is suitable for all skin types and environments. Each bottle of essence undergoes strict quality testing to ensure the safety and purity of the product.

Non-toxic and safe: mild and non-irritating, can be directly in contact with the skin, suitable for products such as perfume, massage oil, etc.

Environmental packaging: The essence bottle is made of high-quality glass material, which is both environmentally friendly and beautiful, and meets the needs of modern consumers for green products.

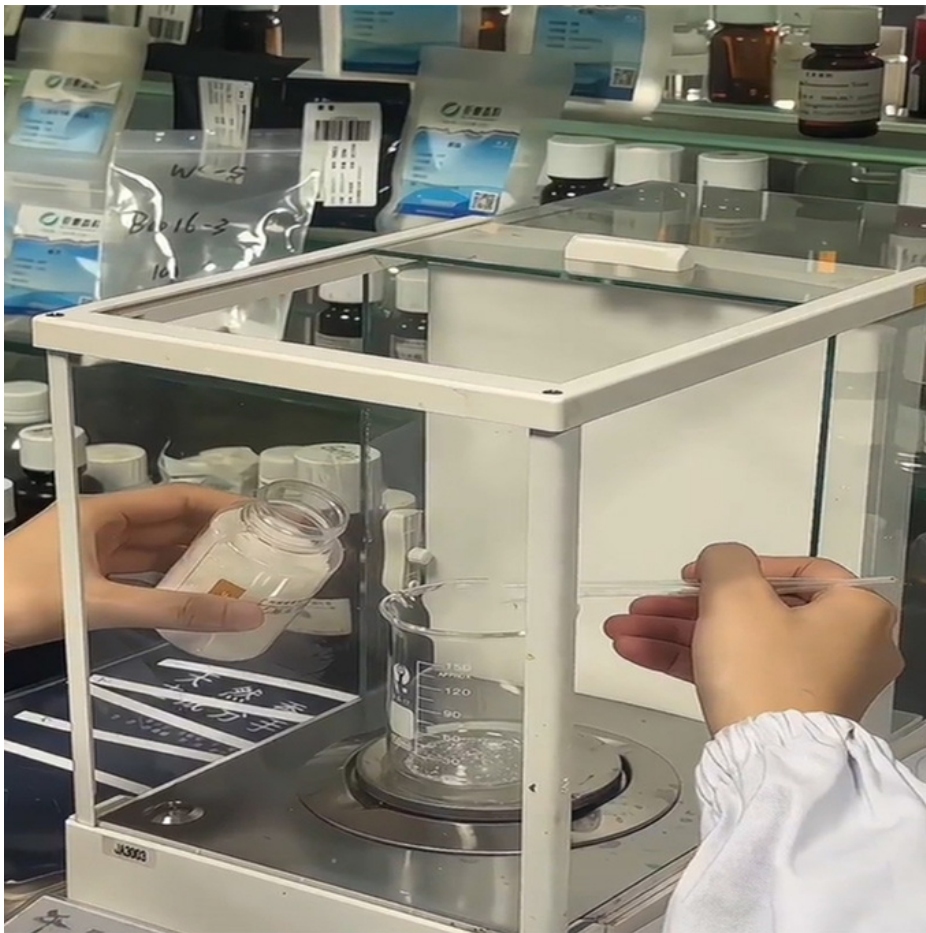

Suitable for customization and DIY

The fresh floral scent of peony flower essence is very suitable for mixing with other fragrances to create a unique fragrance combination. You can mix it with other natural essential oils like lavender, bergamot or neroli to create a personalized perfume or massage oil to create your own unique scent.
