Product Description

Product Description:

Our laundry detergent fragrances come in a light yellow or colorless liquid oil form, making it easy to mix and apply. With an add ratio of 0.1%-0.5%, a little goes a long way in providing a delightful scent to your washing liquid.
Our fragrances find application in daily flavor, industrial flavor, and as fragrance oil for laundry detergent making. They are versatile and can be used for personal or commercial purposes.
Our laundry detergent fragrances are natural fragrances, meaning they are free from any synthetic or harmful chemicals. They are safe to use and do not pose any health hazard to you or the environment.
Our fragrances are also oil and water-soluble, making them easy to mix with your laundry detergent without leaving any residue. They provide a long-lasting scent that lingers on your clothes and gives them a fresh aroma.
Our laundry detergent fragrances are perfect for those who prefer natural scents in their laundry soap aromas. Our fragrances are made from natural ingredients and come in a wide range of scents to choose from. Whether you prefer a floral scent or a fruity aroma, we have a fragrance that suits your taste.
Our laundry detergent fragrances are a great addition to your laundry routine. They provide a refreshing scent to your washing liquid perfumes and leave your clothes smelling fresh and clean. Try our laundry detergent fragrances today and experience the difference they make to your laundry routine.

Features:

Fresh and natural aroma
COCO fragrance has a fresh, bright, natural fruity aroma, which can quickly remove odors, improve indoor air quality, and make people feel refreshed and pleasant.

Powerful decontamination ability
In addition to the aroma, COCO fragrance also has natural decontamination properties, which can work with cleaning ingredients to help remove oil, stubborn stains and food residues.

Long-lasting aroma release
COCO fragrance can release fragrance for a long time, keep the air in the clean environment fresh, and provide a long-lasting fragrance experience.

Natural and harmless
COCO fragrance is usually extracted from natural plants, has low irritation, is more environmentally friendly and safer than some chemical fragrances, and is suitable for household cleaning products.

Improve cleaning efficiency
COCO fragrance not only increases the aroma of the detergent, but also enhances the decontamination effect of the detergent through its natural acidic properties, making the cleaning work more efficient.

Wide applicability
COCO fragrance is suitable for a variety of cleaning products, such as kitchen cleaners, dishwashing detergents, floor cleaners, air fresheners, etc., which can meet various cleaning needs in home and commercial environments.

Applications:

COCO fragrances are widely used in various cleaning products. With their fresh and natural fragrance and excellent cleaning auxiliary effect, they have become a common ingredient in many household cleaning products. In kitchen cleaners, COCO fragrances can effectively remove oil stains, neutralize the odor of food residues, and keep the kitchen clean and fresh; in floor and surface cleaners, COCO fragrances not only provide lasting fragrance, but also help remove stubborn stains and water stains, and improve the cleaning effect; at the same time, COCO fragrances are also commonly used in laundry detergents and fabric softeners to add a fresh fragrance to clothes; in addition, it also performs well in dishwashing detergents and multi-purpose cleaners, which can not only enhance the detergency, but also bring a pleasant COCO fragrance to the cleaning process. COCO fragrances can not only significantly enhance the fragrance experience of cleaning products, but also improve cleaning efficiency, making cleaning work easier and more enjoyable. It can not only effectively remove oil stains and odors, but also bring a lasting fresh fragrance, adding comfort and pleasure to the home environment. Its natural source makes COCO fragrances more environmentally friendly and safe, suitable for various cleaning needs in homes and commercial places.
