Product Description

Amor Amor Fragrance 5kgs/bottle Fragrance Essence
LDZ-PL10023

Product Features

Amor Amor perfume by C acharel is a floral fruity fragrance for women. It's an adventurous floral fragrance with plenty of fruit notes to keep it sweet and lively.

Fragrance Family	Floral, fruity
Scent Type	Bright and warm
Notes	Amor Amor Perfume opens with top notes of orange, Mandarin orange, black currant, grapefruit, bergamot and cassia. This moves into the floral heart with notes of jasmine, apricot, rose, lily-of-the-valley and lily. The base notes feature musk, amber, vanilla, tonka bean and Virginia cedar. The resulting fragrance is a tug-of-war between strong florals and warm fruits with a sweetly sensual dry down.
Suggested Use	For long-lasting fragrance that you can carry throughout the day and to minimize the need for reapplying, focus on your pulse points behind your ears, at the base of your neck and on your wrists as well as warmer areas of the body, such as behind the knees and inside the elbow. These are the best places to apply your fragrance since the scent intensifies by the warmth of your body.
